NetSol Technologies Announces Pricing of Public Offering of Common Stock

CALABASAS, Calif., March 1, 2012 (GLOBE NEWSWIRE) -- NetSol Technologies, Inc. (Nasdaq:NTWK), a worldwide provider of global IT and enterprise application solutions, today announced the pricing of an underwritten public offering of 14,500,000 shares of its common stock, offered at a price to the public of \$0.40 per share, for gross proceeds of \$5,800,000.

Net proceeds to NetSol, after deducting underwriting discounts and commissions and other offering expenses, are expected to be approximately \$5,200,000. NetSol anticipates using the net proceeds from the offering for working capital and other general corporate purposes, which may include product development costs, marketing and sales, repayment of debt and expansion of NetSol's development capabilities.

In addition, NetSol has granted the underwriters an option to purchase up to an additional 2,175,000 shares of its common stock to cover over-allotments, if any. The offering is expected to close on or about March 7, 2012, subject to customary closing conditions. Aegis Capital Corp. is acting as sole book-running manager for the offering.

The securities described above are being offered by NetSol pursuant to a shelf registration statement previously filed with the Securities and Exchange Commission (the "SEC"), which the SEC declared effective on January 26, 2012. A final prospectus supplement related to the offering will be filed with the SEC and will be available on the SEC's website located at <http://www.sec.gov>. Copies of the final prospectus supplement and the accompanying prospectus relating to this offering, when available, may be obtained from Aegis Capital Corp., Prospectus Department, 810 Seventh Avenue, 11th Floor, New York, NY, 10019, telephone: 212-813-1010 or email: prospectus@aegiscap.com.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy these securities, nor shall there be any sale of these securities in any state or other jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state or other jurisdiction.
