# Tesla Financial Services GmbH Goes Live With NetSol Technologies' Business Process Outsourcing Service

## Service Manages Tesla Financial Services' Finance and Leasing Back Office Process in Germany

CALABASAS, Calif., June 2, 2015 (GLOBE NEWSWIRE) -- [NetSol Technologies, Inc.](#) (Nasdaq:NTWK), a global business services and enterprise application solutions provider, today announced that Tesla Financial Services GmbH went live with NetSol's Business Process Outsourcing (BPO) service to manage their entire finance and leasing back office process in Germany. NetSol's asset financing and leasing application, LeaseSoft, is being utilized to run the BPO service.

"This is an exciting breakthrough for NetSol's European operations, selected to not only deliver the software solution, but also manage the entire back office process for Tesla's finance business in Germany," said Najeeb Ghauri, CEO of NetSol. "Our long history of client successes and experience running a BPO services business through our subsidiary [Virtual Lease Services](#), as well as our recent expansion effort in the region, were key factors in winning this agreement."

NetSol recently opened a new office in Germany and expanded operations in the U.K. as part of the Company's growth objectives in the region.
