About Concentra

Concentra is the largest provider of occupational health services in the United States by number of locations, with the mission of improving the health of America's workforce, one patient at a time. Our approximately 13,000 colleagues and affiliated physicians and clinicians support the delivery of an extensive suite of services, including occupational and consumer health services and other direct-to-employer care. We support the care of approximately 54,000 patients each business day on average across 46 states and the District of Columbia at our 633 occupational health centers, 415 onsite health clinics at employer worksites, and Concentra Telemed as of June 30, 2026.
