C-Bond Systems' Patriot Glass Solutions Division Receives Purchase Order to Install C-Bond Secure Protective Film at Two Austin Area Schools

HOUSTON, March 21, 2022 (GLOBE NEWSWIRE) -- [C-Bond Systems, Inc.](#) ("C-Bond" or "Company") (OTC: CBNT), a nanotechnology solutions company, announced today that its Patriot Glass Solutions division has received a purchase order to install C-Bond Secure protective film at two Austin, TX area schools. The installations are expected to start mid-year.

[C-Bond Secure](#) is a multi-purpose glass strengthening primer and window film mounting solution that deters forced entry. The safety film was developed in partnership with one of the industry's largest film suppliers to increase glass strength and glass flexibility. The product improves the application of window film and is compatible with any film manufacturers' products in all market segments including solar, safety, decorative, automotive, and marine.

"Patriot Glass Solutions is the provider of choice for C-Bond Secure and C-Bond BRS (ballistic-resistant system) to schools and other organizations," said Michael Wanke, President of Patriot Glass Solutions. "These are the first installations Patriot Glass Solutions will have done in this district and we are hopeful that other schools in this district will follow suit and make the choice to install C-Bond glass strengthening products to protect students and staff."

These installations bring the total number of schools in the Austin area that have chosen C-Bond Secure or C-Bond BRS (ballistic-resistant system) to 11.

Patriot Glass Solutions protects personal, commercial and government property from looting, rioting, break-ins, and gunfire. Its leading products are C-Bond BRS, a ballistic-resistant film system, and C-Bond Secure, a multi-purpose glass strengthening primer and window film mounting solution that deters forced entry, as well as other types of specialized window film including solar film, graffiti control film, bird strike film, decorative film, and more.
