

#	QUESTION	ANSWER
1	How do I log into my investment Dashboard?	Go to https://hightimesinvestor.com , click the 'Login' button on the top right of the page, and enter the information you had registered with.
2	How can I add to my investment?	When you log into your investor Dashboard, click the 'Add Investment' button to purchase more shares.
3	How do I know that I got the same number of shares that I paid for?	Please refer back to your original subscription purchase documentation which reflects a purchase price of \$11 per share. The amount paid/\$11 would equal the number of shares you received.
4	Why is my paid investment still marked as Not_Received? (in case of CC investments)	Credit Card investments need to be individually verified, which can take a bit of time. Afterwards, your investment will be updated to reflect the correct status.
5	Can I get a refund?	We unfortunately cannot provide any refunds.
6	When will you guys go public?	Upon completion of the Offering, we will attempt to have the shares quoted on either the OTCQX or OTCQB, each operated by OTC Markets Group, Inc. (collectively, the "OTC"), subject to our satisfaction of applicable listing requirements.
7	How do I get my shares into a form where I can trade them?	Currently your shares are in an electronic format, and when High Times becomes a publicly traded company on a stock exchange you will be able to trade the shares.
8	How do I get my shares into my brokerage account?	Once the shares of High Times become publicly trade-able on a stock exchange, V-Stock our transfer agent will provide instructions for how to transfer it into your individual brokerage account.
9	When can I sell my stock?	After we have publicly listed, you will be able to trade or sell your shares.
