# MEDIA ALERT: Equinix to Host Analyst Day June 23 in New York

REDWOOD CITY, Calif., June 16, 2016 /PRNewswire/ -- [Equinix, Inc.](#) (Nasdaq: EQIX), a global interconnection and [data center company](#), today announced that its 2016 Analyst Day will be held on Thursday, June 23, 2016 at 10:00 a.m. ET in New York City. The event is designed to give investors, financial analysts and industry analysts an opportunity to hear from members of the Equinix executive leadership team and discuss opportunities emerging from the confluence of business technology trends in the digital economy, including the evolving cloud computing landscape. Presentations and panels will highlight the latest developments in customer ecosystems and showcase the competitive advantages of locating critical infrastructure in the most networked data centers in the world.

The event will be made available via webcast on the Investor Relations section of the Equinix website at <http://investor.equinix.com>

## About Equinix

## Forward Looking Statements

This press release contains forward-looking statements that involve risks and uncertainties. Actual results may differ materially from expectations discussed in such forward-looking statements. Factors that might cause such differences include, but are not limited to, the challenges of acquiring, operating and constructing IBX centers and developing, deploying and delivering Equinix services; unanticipated costs or difficulties relating to the integration of companies we have acquired or will acquire into Equinix; a failure to receive significant revenue from customers in recently built out or acquired data centers; failure to complete any financing arrangements contemplated from time to time; competition from existing and new competitors; the ability to generate sufficient cash flow or otherwise obtain funds to repay new or outstanding indebtedness; the loss or decline in business from our key customers; and other risks described from time to time in Equinix's filings with the Securities and Exchange Commission. In particular, see Equinix's recent quarterly and annual reports filed with the Securities and Exchange Commission, copies of which are available upon request from Equinix. Equinix does not assume any obligation to update the forward-looking information contained in this press release.
