Canalta Hotels Chooses Telkonet's EthoStream as Exclusive High-Speed Internet Access Provider

EthoStream Solidifies International HSIA Presence

MILWAUKEE, March 5, 2012 /PRNewswire/ -- Telkonet, Inc. (OTC BB: TKOI), operator of EthoStream, the leading provider of hospitality [high-speed Internet access](#) solutions, announced today that Canalta Hotels of Alberta, Canada, has chosen the EthoStream Hospitality Network as their exclusive high-speed Internet access solution.

In partnership with a local reseller, Electro Tel, EthoStream will provide hardware, including EthoStream Gateway Servers, as well as 24/7/365 support to 34 properties owned and operated by Canalta throughout western Canada. Telkonet has provided equipment and support to each of the hotels for several years, but this agreement formalizes the relationship and demonstrates Canalta values the convenience, quality and performance of the end-to-end solution the company provides. EthoStream offers hardware, software and in-house technical support to enable remote maintenance of the network infrastructure as well as provide technical assistance to guests.

Brooke Christianson, Vice President of Hotel Operations for Canalta, said, "The EthoStream solution provides both the technology and the responsive in-house customer support necessary for us to offer a seamless Internet experience to hotel guests. When we need onsite assistance, Electro Tel is always there for us."

The EthoStream Hospitality Network reaches across all of Canada to include Canalta properties in Alberta and Saskatchewan. Through its reseller program, EthoStream services the needs of customers in all areas of North America, Central America and the Caribbean. EthoStream resellers enjoy the benefits of an industry-leading HSIA platform and are able to concentrate their efforts on meeting the needs of their customers. Most resellers perform onsite installation and maintenance while offering EthoStream's HSIA Gateway, Remote Management Console reporting engine, brand-standard portal solutions and 24/7/365 customer support.
