For more information, please visit Telkonet's Investor Relations page and review the Company's [Proxy's Statement filed April 29th, 2013](#) with the Securities & Exchange Commission.

About Telkonet

The Telkonet (OTCQB: TKOI) business model is made up of two synergistic business technology divisions, EcoSmart Energy Management Technology and EthoStream High Speed Internet Access (HSIA) Network.

EcoSmart is a leading US-based energy management technology provider, offerings hardware, software and services to commercial customers worldwide. Telkonet's EcoSmart suite of products, which includes EcoInsight and EcoWave intelligent thermostats, the EcoView occupancy sensor and the EcoGuard energy management outlet, can be deployed in most building environments to cut utility costs and enable remote monitoring and control using the EcoCentral management platform. Telkonet's energy management products have the power to reduce energy consumption, minimize carbon footprints and help eliminate the

need for the construction of new power plants. All products can be wirelessly networked to enhance energy efficiency and provide remote monitoring capability.

EthoStream is one of the largest public High-Speed Internet Access ("HSIA") providers in the world, providing services to more than 4.2 million users monthly across a network of greater than 2,350 locations. With a wide range of product and service offerings and one of the most comprehensive management platforms available for HSIA networks, EthoStream offers solutions for any public access location.

About RetailInvestorConferences.com:

Since 2010, RetailInvestorConferences.com has been the only monthly virtual investor conference series that provides an interactive forum for presenting companies to meet directly with retail investors using a graphically-enhanced online platform. Designed to replicate the look and feel of location-based investor conferences, Retail Investor Conferences unites PR Newswire's leading-edge online conferencing and investor communications capabilities with BetterInvesting's extensive retail investor audience network.
