Capstone Turbine to Present at the 2017 Marcum MicroCap Conference on June 15, 2017 in New York City

CHATSWORTH, Calif., June 12, 2017 (GLOBE NEWSWIRE) -- Capstone Turbine Corporation (www.capstoneturbine.com) (Nasdaq:CPST), the world's leading clean technology manufacturer of microturbine energy systems, announced today that its Chief Executive Officer, Darren Jamison, will present Capstone Turbine's corporate overview and growth strategy to investors at the Marcum MicroCap Conference on Thursday, June 15, 2017, at 9:00 a.m. ET.

The conference will be held June 15-16 at the Grand Hyatt Hotel in New York City. The Company's presentation can be viewed the day of the conference by visiting the Investor Relations section of the Company's website at www.capstoneturbine.com.

"This conference is a great platform with more than 2,000 investors and other participants that are scheduled to attend the event. It is critical that we capitalize on every opportunity to present the progress we have made on our three-pronged business profitability plan and highlight the substantial reduction of operating expenses, improved diversification, geographic expansion and rebounding momentum in our revenues," said Mr. Jamison.

"This is our first time presenting at this significant microcap conference and we are excited to be an invited presenter and look forward to discussing our business update, growth opportunity and strategy with the investment community," added Ms. Jayme Brooks, Chief Financial Officer and Chief Accounting Officer.

Mr. Darren Jamison and Ms. Jayme Brooks, will be available for one-on-one meetings throughout both conference days. Institutional investors interested in scheduling a one-on-one meeting with Capstone's management team are encouraged to contact their Marcum representative.

About Capstone Turbine Corporation

Capstone Turbine Corporation (www.capstoneturbine.com) (Nasdaq:CPST) is the world's leading producer of low-emission microturbine systems and was the first to market commercially viable microturbine energy products. Capstone has shipped approximately 9,000 Capstone Microturbine systems to customers worldwide. These award-winning systems have logged millions of documented runtime operating hours. Capstone is a member of the U.S. Environmental Protection Agency's Combined Heat and Power Partnership, which is committed to improving the efficiency of the nation's energy infrastructure and reducing emissions of pollutants and greenhouse gases. A UL-Certified ISO 9001:2015 and ISO 14001:2015 certified company; Capstone is headquartered in the Los Angeles area with sales and/or service centers in the United States, Latin America,

Europe, Middle East and Asia.

About Marcum

The Marcum MicroCap Conference (www.marcummicrocap.com) is a nationally recognized forum for publicly traded companies with less than \$500 million in market capitalization to network with fund managers and high net worth investors who focus on small cap equities. More than 2,000 investors and other participants from every segment of the microcap marketplace attend each year, including venture and lower middle-market private equity investors, institutional investors, directors, investment bankers, and buy- and sell-side analysts, as well as senior executive teams from presenting companies and service providers to the microcap marketplace.

The conference is presented by Marcum LLP, a top national accounting and advisory firm registered with the Public Company Accounting Oversight Board (PCAOB). Marcum's Assurance Division provides the most up-to-date service and guidance on SEC accounting and reporting issues. Services include Financial Statement Audits in accordance with PCAOB standards; Tax Compliance and Advisory Services; Due Diligence; Agreed-Upon Procedures and Other Attest Work; Internal Audit Services; Sarbanes-Oxley Section 404 Compliance Services and Software; Technical Accounting Assistance; and IPO Assistance.
