Huntington Bancshares Incorporated Environmental, Social And Governance Report Benchmarks 2016 Corporate Social Responsibility Performance

First ESG annual report part of Huntington's strategic effort to increase transparency and advance socially responsible business practices

COLUMBUS, Ohio, May 5, 2017 /PRNewswire/ -- Huntington Bancshares Incorporated (www.huntington.com, NASDAQ:HBAN) has published its initial [Environmental, Social and Governance \(ESG\) Report](#), highlighting Huntington's environmental, social and governance stewardship and financial best practices, and committing to annual updates on the company's continuous improvement in ESG performance.

Huntington's ESG Report compiles for the first time social responsibility efforts in which the company has long been engaged, increasing transparency for independent assessment and publicly establishing a performance benchmark toward demonstrating ongoing improvement.

"Doing the right thing for all of our constituents is ingrained in our culture at Huntington," said Steve Steinour, chairman, president and CEO. "Our initial ESG Report will ensure our

stakeholders have clear visibility into what we're doing, what we've already accomplished and where we're going as a company."

The 2016 report details Huntington's environmental impact, its socially-responsible efforts with colleagues, customers and communities, and its governance standards.
