CBRE | FacilitySource Named U.S. Supplier Company of the Year at PRSM2019 National Conference

LOS ANGELES--(BUSINESS WIRE)-- The Professional Retail Store Maintenance Association (PRSM), now known as Connex, has named CBRE | FacilitySource as the 2019 U.S. Supplier Company of the Year. The prestigious award, which recognizes performance excellence by a supplier to the retail facility management industry, was presented at the PRSM2019 National Conference on April 30th.

“This recognition is a reflection of the hard work and dedication of our team, who work to deliver unmatched client outcomes every day,” said Bill Hayden, CEO of CBRE | FacilitySource.

CBRE | FacilitySource provides an innovative, technology-driven, single-source facility management and support solution to leading brands across North America. The business’s highly regarded data repository delivers business intelligence and flexibility to clients via a nationwide network of qualified service providers.

CBRE | FacilitySource was nominated for the award along with eight other companies. Requirements for nomination included Connex’s acknowledgement the supplier company is a role model for the industry and has significantly contributed to the facilities management profession.

“FacilitySource’s capabilities enable CBRE to offer our clients new and innovative delivery methods for managing their dispersed portfolios,” said [Bill Concannon](#), Global Group President and CEO of Global Workplace Solutions (GWS) for CBRE. “Connex’s recognition further distinguishes CBRE | FacilitySource as the leader of a new approach to facilities management which leverages data analytics and a technology-enabled supply chain to deliver service and savings to clients.”

CBRE acquired FacilitySource in June, 2018 and the combined strengths of the two companies have helped CBRE to secure new and expanded relationships with leading national retailers and other key clients.
