#### About Upexi, Inc.

Upexi, Inc. (Nasdaq: UPXI) is a leading digital asset treasury company, where it aims to acquire and hold as much Solana (SOL) as possible in a disciplined and accretive fashion. In addition to benefiting from the potential price appreciation of Solana - the cryptocurrency of the leading high-performance blockchain - Upexi utilizes three key value accrual mechanisms in intelligent capital issuance, staking, and discounted locked token purchases. The Company operates in a risk-prudent fashion to position itself for any market environment and to appeal to investors of all kinds, and it currently holds over two million SOL. Upexi also continues to be a brand owner specializing in the development, manufacturing, and distribution of consumer products. Please see www.upexi.com for more information.
