Information Systems Associates Secures a Contract to Perform Data Center Services for a Another Fortune 100 Company

Projects to be Completed by the Fourth Quarter of 2010

PALM CITY, Fla., Aug. 30, 2010 (GLOBE NEWSWIRE) -- Information Systems Associates, Inc. (OTCBB:IOSA), a data center optimization software, services and solutions company, today announces that it has secured a contract to perform services for a global conglomerate Fortune 100 company. This project will launch in the next 45 days and will be completed in the fourth quarter of 2010. These contracts are in addition to recently announced projects including a Fortune 500 Communications company, Fortune 100 wireless carrier, a Fortune 100 retailer and a Fortune 1,000 bank.

Joe Coschera, the President and Chief Executive Officer of Information Systems Associates, commented, "We continue to be excited about the progress we are making with respect to landing and closing major deals with corporate behemoths and household names. We believe that these announcements speak directly to the uniqueness and power of our new and patented OSPI v.2 data center solution. We expect to make similar exciting announcements during the remaining period in 2010 and 2011 as we continue to aggressively build our deal pipeline. As we enter 2011, having the patent on a leading data center management solution, we fully expect to gain significant market penetration in this space, resulting in strong revenue growth over the next 12-24 months."
