Information Systems Associates and SilverBack Migration Solutions, Inc. Sign Affiliate Agreements

PALM CITY, Fla., June 21, 2011 (GLOBE NEWSWIRE) -- Information Systems Associates, Inc. (OTCQB:IOSA), a company focused on Data Center Data Collection, Data Center Infrastructure Management (DCIM), and Mobile Data Center Management, today announces that it has signed joint Affiliate Agreements with SilverBack Migration Solutions, Inc. in support of ISA's patented data center asset management solution On Site Physical Inventory (OSPI) and SilverBack's data center migration service offerings.

Joe Coschera, the Chief Executive Officer of Information Systems Associates, stated, "The relationship with SilverBack provides both companies with access to the others services and technologies for their respective clients. Being able to offer SilverBack's services to our existing clients and prospective clients will enable ISA to stay engaged with its customers throughout the lifecycle of their data centers. ISA's products and services will be available to SilverBack and its clients. OPSI v2 can be leveraged by SilverBack for its clients' data center moves and migrations providing timely and up-to-date asset inventory data. Maintaining the accuracy of their data center asset inventory post migration will be simplified with OSPI v2, making accurate IT asset inventory data available at their fingertips."
