

# Duos Technologies Awarded Technology Services Contract for Major National Retailer

## Data Center Technology Services Division

JACKSONVILLE, FL -- (Marketwired) -- 09/08/15 -- Duos Technologies Group (OTCQB: DUOT), a provider of intelligent security analytical technology solutions, has been awarded a contract for the validation and update of data center assets across multiple data centers of a major national retail chain.

"The validation and update services are critical steps in the data migration and application upgrade planning process in which the customer is now engaged. Utilizing our patented method for data center asset validation allows us to insure a quick turnaround with extremely high levels of accuracy, which is critical to this type of endeavor. We have successfully provided these services to many other Fortune 500 companies in the past utilizing this same methodology," stated Joe Coschera, Vice President of Duos' IT Infrastructure Services (ITIS) division.

Gianni Arcaini, Duos Technologies' Group, Inc. Chairman and CEO stated, "I am particularly pleased that our merger has been a full success. Our ITIS division originated from our merger partner ISA, and we expect continued growth of that business unit for the foreseeable future."
