Duos Technologies Group Appoints Ken Ehrman to Its Board

Company's Board Strengthened with Experienced Public Company Executive

JACKSONVILLE, Fla., Jan. 31, 2019 (GLOBE NEWSWIRE) -- Duos Technologies Group, Inc. ("Duos" or the "Company") (OTCQB: DUOT), has appointed Kenneth Ehrman to its Board of Directors as an Independent Director. Mr. Ehrman will also serve as head of the Compensation and Nominating Committees.

After an extensive search, Mr. Ehrman was selected for his long experience as both a NASDAQ company CEO and as an innovator in intelligent technologies. Mr. Ehrman served on the Board of Financial Services, Inc. from 2012 – 2016 before it was successfully sold to a large financial software company. Mr. Ehrman has also been awarded more than 20 patents including asset tracking, cargo and impact sensing and connected car technology.

Mr. Ehrman currently works as an industry expert focusing on real-world applications of IoT and advances in technologies for industry, serving as an independent consultant to leading Fortune-100 companies. He advises companies focused on technology solutions predominantly in the logistics and transportation industries and serves as a mentor to executives in technology startups by utilizing the experience he gained while taking a Silicon Valley startup from inception through initial public offering. He also consults with companies to facilitate acquisitions including one of the largest purchases of an IoT company by a Fortune 100 buyer in 2018.

"We are thrilled to welcome Ken to our board of directors and I look forward to working closely with this outstanding industry leader," stated Gianni Arcaini the Company's Chairman and CEO. "His expertise will particularly be a great addition to our growth plan which includes up-listing from OTCQB to a national exchange," stated Arcaini.
