Ralliant Declares Regular Quarterly Dividend

RALEIGH, N.C.--(BUSINESS WIRE)-- Ralliant Corporation (“Ralliant” or the “Company”) (NYSE: RAL) announced today that its Board of Directors has approved a quarterly cash dividend of $0.05 per share on its common stock, payable on September 23, 2026, to stockholders of record as of the close of business on September 8, 2026.

About Ralliant

Ralliant is a global provider of precision technologies that specializes in designing, developing, manufacturing and servicing precision instruments and highly engineered products. Ralliant’s two strategic reporting segments —Sensors & Safety Systems and Test & Measurement — include well-known brands with leading positions in their markets. The Company’s businesses empower engineers with precision technologies essential for breakthrough innovation that brings advanced technologies to the market faster and more efficiently. With over 150 years of operating experience and enduring customer trust, we are known for delivering innovative, high-quality products with the precision that mission-critical systems demand. Ralliant is headquartered in Raleigh, North Carolina, and employs a team of approximately 7,000 research and development, manufacturing, sales, distribution, service and administrative employees. The Company’s global footprint enables a unique 'engineer to engineer' approach, which allows it to build enduring trust, credibility, and partnerships with customers across both Fortune 1000 companies and next-generation start-up enterprises. With a culture rooted in continuous improvement, the core of the Company’s operating model is the Ralliant Business System. For more information please visit: www.ralliant.com.
