Apollo Global Management, LLC Reports Second Quarter 2017 Results

NEW YORK--(BUSINESS WIRE)-- Apollo Global Management, LLC (NYSE:APO) (together with its consolidated subsidiaries, "Apollo") today reported results for the second quarter ended June 30, 2017.

"Apollo delivered strong financial results for the second quarter of 2017, driven by positive investment performance and growth across our integrated global platform," said Leon Black, Chairman and Chief Executive Officer. "We are also pleased to announce we have accepted commitments of \$24.7 billion for our latest flagship private equity fund, Apollo Investment Fund IX, the largest dedicated private equity fund ever raised. We're grateful for the overwhelming vote of confidence we have received from our longstanding limited partners and new investors. We believe this support reflects our market-leading investment performance, disciplined and value-oriented investment approach across economic cycles, and ongoing commitment to the investors in our funds."

Apollo issued a full detailed presentation of its second quarter ended June 30, 2017 results, which can be viewed through the Investor Relations section of Apollo's website at <http://ir.agm.com>.

Distributions

Apollo has declared a cash distribution of \$0.52 per Class A share for the second quarter ended June 30, 2017. This distribution will be paid on August 31, 2017 to holders of record at the close of business on August 22, 2017. Apollo intends to distribute to its shareholders on a quarterly basis substantially all of its distributable earnings after taxes and related payables in excess of amounts determined by its manager to be necessary or appropriate to provide for the conduct of its business.

Apollo has declared a cash distribution of \$0.398438 per Series A Preferred share, which will be paid on September 15, 2017 to holders of record at the close of business on September 1, 2017.

The declaration and payment of distributions on Class A shares or Series A Preferred shares are at the sole discretion of Apollo's manager. Apollo cannot assure its shareholders that they will receive any distributions in the future.
