Alico, Inc. Announces Preliminary Results Of Tender Offer

FORT MYERS, Fla., Oct. 04, 2018 (GLOBE NEWSWIRE) -- Alico, Inc. ("Alico" or the "Company") (NASDAQ:ALCO) announced today the preliminary results of its previously announced issuer tender offer (the "Tender Offer"), to purchase up to \$19,999,990 in value of shares of its common stock at a purchase price of \$34.00 per share. The Tender Offer expired at the end of the day, 12:00 midnight, Eastern Daylight Time, on October 3, 2018.

Based on the preliminary count by Computershare, the depositary for the Tender Offer, approximately 4,775,863 shares were properly tendered and not withdrawn. In accordance with the terms and conditions of the Tender Offer and based on the preliminary count by the depositary, the Company expects to accept for payment a total of approximately 752,234 shares of its common stock at a purchase price of \$34.00 per share, for an aggregate cost of \$25,575,956, excluding fees and expenses relating to the Tender Offer. These shares represent approximately 9.2% of the total number of shares of the Company's common stock issued and outstanding as of October 2, 2018. Included in the 752,234 shares the Company expects to accept for purchase in the Tender Offer are 163,999 shares that the Company has elected to purchase pursuant to its right to purchase up to an additional 2% of its outstanding shares of common stock.

Because the Tender Offer was oversubscribed, the Company expects to accept for purchase only a prorated portion of the shares tendered by each tendering shareholder (other than "odd lot" holders whose shares will be purchased in full and certain conditional tenders that will automatically be regarded as withdrawn if the condition of the tender is not met). The Company has been informed by the depositary that the preliminary proration factor for the Tender Offer, after giving effect to the priority for odd lots, is approximately 14.16%.

The number of shares to be purchased and the proration factor are preliminary and subject to change. Final results of the Tender Offer will be determined subject to confirmation by the depositary. The final number of shares to be purchased pursuant to the Tender Offer and the proration factor will be announced following the completion by the depositary of the confirmation process. Payment for the shares accepted for purchase, and return of all other shares tendered and not accepted for purchase, will occur promptly thereafter.

Alico's largest shareholder, 734 Investors, LLC, which is an affiliate of Messrs. George Brokaw and Remy W. Traftlet, Alico's Executive Vice Chairman and Chief Executive Officer, respectively, has participated in the Tender Offer.
