Alico, Inc. Announces Expected Dissolution of Its Largest Shareholder, 734 Investors

FORT MYERS, Fla., Nov. 13, 2019 (GLOBE NEWSWIRE) -- Alico, Inc. ("Alico" or the "Company") (Nasdaq: "ALCO") today announced that 734 Investors, LLC ("734 Investors"), the Company's largest shareholder, has distributed the 3,173,405 shares of Company common stock held by it, on a pro rata basis, to its members. This share distribution comes in anticipation of the dissolution of 734 Investors later this year. Transfers of these shares are not registered on any current Alico registration statement, but the shares are potentially transferable pursuant to Rule 144, subject to certain customary restriction.

John Kiernan, Alico's President and Chief Executive Officer, said, "734 Investors was created for a 6-year period of time, which is expiring. After this distribution, the individual members of 734 Investors will now directly own their same underlying ownership stake in Alico. We have been grateful for their support since 2013, and look forward to their continued investment in our Company."

About Alico

Alico, Inc. primarily operates two divisions: Alico Citrus, one of the nation's largest citrus producers, and Alico Water Resources and Other Operations, a leading water storage and environmental services division. Learn more about Alico (Nasdaq: "ALCO") at www.alicoinc.com.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements are based on Alico's current expectations about future events and can be identified by terms such as "plans," "expect," "may," "anticipate," "intend," "should be," "will be," "is likely to," "believes," and similar expressions referring to future periods.

Alico believes the expectations reflected in the forward-looking statements are reasonable but cannot guarantee future results, level of activity, performance or achievements. Actual results may differ materially from those expressed or implied in the forward-looking statements. Therefore, Alico cautions you against relying on any of these forward-looking statements. Factors which may cause future outcomes to differ materially from those foreseen in forward-looking statements include, but are not limited to: changes in laws, regulation and rules; changes in the political environment and agendas; weather conditions

that affect production, transportation, storage, demand, import and export of fresh product and its by-products; increased pressure from diseases including citrus greening and citrus canker, as well as insects and other pests; disruption of water supplies or changes in water allocations; pricing and supply of raw materials and products; market responses to industry volume pressures; pricing and supply of energy; changes in interest rates; availability of financing for land development activities and other growth and corporate opportunities; onetime events; acquisitions and divestitures; seasonality; our ability to achieve the anticipated cost savings under the Alico 2.0 Modernization Program; customer concentration; labor disruptions; inability to pay debt obligations; inability to engage in certain transactions due to restrictive covenants in debt instruments; government restrictions on land use; changes in agricultural land values; and market and pricing risks due to concentrated ownership of stock. Other risks and uncertainties include those that are described in Alico's SEC filings, which are available on the SEC's website at <http://www.sec.gov>. Alico undertakes no obligation to subsequently update or revise the forward-looking statements made in this press release, except as required by law.
