EVI Industries Announces Participation at Jefferies Industrial Conference

MIAMI--(BUSINESS WIRE)-- EVI Industries, Inc. (NYSE American: EVI) announced today that Chairman and CEO, Henry M. Nahmad will host one-on-one meetings at the Jefferies Industrials Conference on Tuesday, August 9, 2022. For more information on the conference, or to schedule a one-on-one meeting, please contact your Jefferies sales representative.

EVI executes a buy-and-build strategy focused on long-term growth and shareholder value creation. During the last six years, the Company has acquired 20 commercial laundry distributors and service providers in North America. Today, the Company operates from 28 distribution locations in 18 states and exports to Latin America and the Caribbean from its Florida operations. The Company employs a vast sales and service organization that plans, designs, sells, installs, and maintains industrial, on premise, vended, and route laundries. The Company continues to thoughtfully execute its long-term growth strategy in and around the commercial laundry industry.

About EVI Industries

EVI Industries, Inc., through its wholly-owned subsidiaries, is a distributor that sells, leases, and rents commercial, industrial, and vended laundry and dry cleaning equipment and steam and hot water boilers manufactured by others, supplies related replacement parts and accessories, designs and plans turn-key laundry, dry cleaning, and boiler systems, and provides installation and maintenance services to thousands of customers, which include commercial, industrial, institutional, government, and retail customers. These activities are conducted in the United States, Canada, the Caribbean and Latin America.

Forward-Looking Statements

Except for the historical matters contained herein, statements in this press release are forward-looking and are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are subject to a number of known and unknown risks and uncertainties that may cause actual results, trends, performance or achievements of EVI Industries, or industry trends and results, to differ from the future results, trends, performance or achievements expressed or implied by such forward-looking statements. These risks and uncertainties include, among others, that the acquisition of Clean Designs may not be accretive to EVI Industries earnings or otherwise have a positive impact on EVI Industries operating results or financial condition to the extent anticipated or at all, integration risks, risks related to the business, operations, and prospects of Clean Designs and EVI Industries plans with respect thereto. Reference is also made to

other economic, competitive, governmental, technological and other risks and factors discussed in EVI Industries filings with the Securities and Exchange Commission, including, without limitation, those disclosed in the “Risk Factors” section of EVI Industries Annual Report on Form 10-K for the fiscal year ended June 30, 2021, filed with the SEC on September 13, 2021, as amended by its Annual Report on Form 10-K/A for the fiscal year ended June 30, 2021, filed with the SEC on October 28, 2021. Many of these risks and factors are beyond EVI Industries control. In addition, past performance and perceived trends may not be indicative of future results. EVI Industries cautions that the foregoing factors are not exclusive. The reader should not place undue reliance on any forward-looking statement, which speaks only as of the date made. EVI Industries does not undertake to, and specifically disclaims any obligation to, update or supplement any forward-looking statement, whether as a result of changes in circumstances, new information, subsequent events or otherwise, except as may be required by law.
