## Kane Biotech Announces Second Quarter 2019 Financial Results

WINNIPEG, Manitoba, Aug. 21, 2019 (GLOBE NEWSWIRE) -- Kane Biotech Inc. (TSX-V:KNE), (the "Corporation" or "Kane Biotech"), a biotechnology company engaged in the research, development and commercialization of technologies and products that prevent and remove microbial biofilms, today announces its Second Quarter 2019 Financial Results.

### Key Highlights include the following:

- Announced \$3.8M in non-dilutive government funding from Western Economic Diversification Canada, the total amount the company applied for, in the form of interest-free repayable contributions to be paid back over five years starting in April 2023
- Announced three new additions to the Kane team: Lori Christofalos (Director of Quality and Compliance), Michel Stebenne (VP of Animal Health), and Shabnam Bashiri (Manager of Quality Control)
- Announced a share purchase by Marc Edwards, CEO, an exercise of warrants for a total value of \$280,000, the reimbursement of \$1.05M in cash advances back to insiders, and the extension of the expiry date of its 500,000 loan from Individual Investment Corporation
- Announced an exclusive distribution agreement with major Chinese distributor Eetoys Pet Products; Eetoys will distribute Kane's Oral Care products (bluestem and StrixNB) to over 2,000 retailers across China
- Secured a large order from leading Quebec pet products retailer Mondou; Mondou carries Kane's entire bluestem line and is working with Kane to expand its toothpaste line to meet growing demand
- Announced a new agreement with FreeMind Group, a renowned expert in securing non-dilutive funding from a variety of public and private sources
- Announced \$50,000 CAD in funding from the Government of Canada's CanExport SMEs program to be used to accelerate growth in Brazil, China, and the UK

"We had some transformative events this quarter, including the WED funding, recent additions to our growing team, and a number of new partnerships with established brands," stated Marc Edwards, Chief Executive Officer of Kane Biotech. "I believe we're positioned very well for accelerated growth over the next year. We continue to see growth in the sales and distribution of our Animal Health products, and we are in the late stages of development for our first Human Health product, a DispersinB hydrogel for wound care. We have a robust team in place and the resources necessary to expand our existing product portfolio and to develop novel products for new markets."

"I am very excited about Kane's success so far throughout 2019, and I look forward to providing a deep dive into our operating activities and future priorities during the business update video conference on September 10," concluded Mr. Edwards.

*Kane Biotech will be hosting its first-ever business update on **September 10, 2019**. The update video will feature multiple members of Kane's team and will be available on the company's website after market close on the tenth.*
