SIRIUS Traffic is expected to be installed in 70% of the Mercedes-Benz Model Year 2010 lineup, and will be standard on the S-Class, CL-Class, CLS-Class and G-Class models.

SIRIUS Traffic comes pre-activated with a six-month trial subscription for Mercedes-Benz customers along with a six-month trial subscription of the "SIRIUS Everything" satellite radio package.

SIRIUS Traffic provides traffic speed and flow information to vehicles over SIRIUS' nationwide satellite radio network. SIRIUS Traffic also provides information on traffic incidents, scheduled road closings and road construction. Since SIRIUS Traffic is integrated with the vehicle's navigation system, the service assists drivers in picking the quickest, safest routes based on real-time traffic conditions.

"SIRIUS Traffic will benefit Mercedes-Benz drivers with traffic information to help them navigate through our country's major roadways," said Sascha Simon, Department Manager, Advanced Product Planning, MBUSA. "We are pleased to add this service to SIRIUS' audio entertainment in Mercedes-Benz vehicles."

"Mercedes-Benz is a renowned brand, famous for its exceptional performance and technology," said Steve Cook, Group Vice President and General Manager, Automotive Division, SIRIUS XM Radio. "SIRIUS XM is thrilled to make the SIRIUS Traffic service available on new 2010 Mercedes-Benz vehicles."

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about the benefits of the business combination transaction involving SIRIUS and XM, including potential synergies and cost savings and the timing thereof, future financial and operating results, the combined company's plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "anticipate," "believe," "plan," "estimate," "intend," "will," "should," "may," or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of SIRIUS' and XM's management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond the control of SIRIUS and XM. Actual results may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statement: our substantial indebtedness; the businesses of SIRIUS and XM may not be combined successfully, or such combination may take longer, be more difficult, time-consuming or costly to accomplish than expected; the useful life of our satellites; our dependence upon automakers and other third parties; our competitive position versus other forms of audio and video entertainment; and general economic conditions. Additional factors that could cause SIRIUS' and XM's results to differ materially from those described in the forward-looking statements can be found in SIRIUS' Annual Report on Form 10-K for the year ended December 31, 2008 and XM's Annual Report on Form 10-K for the year ended December 31, 2008, which are filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein

speaks only as of the date hereof, and SIRIUS and XM disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
