TILT to Present at the GMP Securities and Benzinga Cannabis Conferences

CAMBRIDGE, Mass.--(BUSINESS WIRE)-- TILT Holdings Inc. ("TILT" or the "Company") (CSE: TILT) (OTCQB: SVVTF), a leading provider of products and services to businesses operating in the cannabis industry, today announced that its management will participate in two upcoming investor conferences in Toronto, Canada including the annual GMP Securities Cannabis Conference to be held April 16, 2019 and the Benzinga Cannabis Capital Conference to be held April 17 and 18, 2019. At these conferences, management will be discussing the continued growth of the business and integration between Jupiter, Blackbird, and Baker as they expand their footprint across the country.

Joel Milton, the Company's Senior Vice President, Business and Corporate Development, will present and meet with investors at the GMP Securities Annual Cannabis Conference on Tuesday, April 16, 2019.

The Company is also a Sponsor of the Benzinga Cannabis Capital Conference and Mr. Milton will participate in a formal presentation at 11:00am ET on Thursday, April 18, 2019 and meet with investors.

The GMP Securities Cannabis Conference will explore current investing trends, industry perspectives on consumer trends and key developments through company presentations, panel discussions and one-on-one meetings. The conference will also provide the opportunity for key industry participants and institutional investors to network and interact with a diverse group of highly regarded experts, leaders and visionaries from leading public and private cannabis companies.

The Benzinga Cannabis Capital Conference is the premier gathering of cannabis entrepreneurs and investors in North America. The conference allows investors to meet with industry leading cannabis companies to hear about developments in the rapidly growing space.

About TILT

TILT is a leading provider of products and services to businesses operating in the cannabis industry. The Company offers the contract manufacturing of marijuana in a variety of form factors, vaporizer and inhalation devices, business and consumer delivery services and a broad suite of software products for over 1,500 retailers and brands throughout the United States ("U.S."), Canada and Europe. The majority of TILT's products are customized to client specifications and branding, all enabling them to operate their businesses more efficiently and connect with their customers more effectively. The Company is organized in two main business units, Software & Services and Consumer Devices & Packaged Goods, designed to augment competencies across the organization in research, manufacturing, packaging and technology to deliver end-to-end services and customer solutions. All of TILT's products

are supported by an extensive research process led by scientists and engineers, using data analytics and discovery to produce new products helping shape the industry. Headquartered in Cambridge, MA, with offices throughout the U.S., Toronto and London, TILT has over 500 employees and has sales in 40 U.S. states, Canada and Europe. Forward-Looking Information

This news release contains forward-looking information based on current expectations. Forward-looking information is provided for the purpose of presenting information about management's current expectations and plans relating to the future and readers are cautioned that such statements may not be appropriate for other purposes. Forward looking information may include, without limitation, the opinions or beliefs of management, prospects, opportunities, priorities, targets, goals, ongoing objectives, milestones, strategies and outlook of TILT, and includes statements about, among other things, future developments, the future operations, strengths and strategy of TILT. Generally, forward looking information can be identified by the use of forward looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". These statements should not be read as guarantees of future performance or results. These statements are based upon certain material factors, assumptions and analyses that were applied in drawing a conclusion or making a forecast or projection, including TILT's experience and perceptions of historical trends, current conditions and expected future developments, as well as other factors that are believed to be reasonable in the circumstances.

Although such statements are based on management's reasonable assumptions at the date such statements are made, there can be no assurance that they it be completed on the terms described above and that such forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such forward-looking information. Accordingly, readers should not place undue reliance on the forward-looking information. TILT assumes no responsibility to update or revise forward-looking information to reflect new events or circumstances unless required by applicable law.

By its nature, forward-looking information is subject to risks and uncertainties, and there are a variety of material factors, many of which are beyond the control of TILT, and that may cause actual outcomes to differ materially from those discussed in the forward-looking statements.

The CSE has neither approved nor disapproved the contents of this news release.
