# Interpace Biosciences Announces Commencement of Fully Back-Stopped \$30 Million Rights Offering

**PARSIPPANY, NJ, Jan. 12, 2022 (GLOBE NEWSWIRE)** -- Interpace Biosciences, Inc. ("Interpace" or the "Company") (OTCQX: IDXG) today announced that it commenced its previously announced fully back-stopped Rights Offering of up to \$30 million.

Under the terms of the Rights Offering, the Company is distributing non-transferable subscription rights to each holder of its common stock as well as to each holder of its outstanding warrants to purchase common stock in each case held as of 5:00 p.m. Eastern Standard Time on January 10, 2022, the record date for the Rights Offering (the "Record Date"). The subscription rights may be exercised at any time during the subscription period, which commences on January 13, 2022. The rights will expire if they are not exercised by 5:00 p.m., Eastern Standard Time, on February 2, 2022, unless the Company extends the Rights Offering subscription period.

Each subscription right will entitle the eligible holder to purchase .75 share of common stock at a price per whole share of common stock of \$6.65. Holders who fully exercise their rights may subscribe for additional shares not subscribed for by other holders on a pro rata basis. The Company will not issue any fractional shares upon exercise of any subscription rights in the rights offering and any such fractional shares will be rounded down to the nearest whole share.

The Company intends to use the proceeds of the Rights Offering to increase its liquidity position, to fund its anticipated internal and external growth through potential strategic investments and partnerships, including product line acquisitions, and for general corporate and working capital purposes.

The Company has entered into a standby purchase agreement (the "Standby Purchase Agreement") with 3K Limited Partnership (the "Standby Purchaser") and certain of its affiliates ("together, the "Investors"), pursuant to which the Investors have agreed to subscribe for their pro rata share of the Rights Offering based on their ownership as of the Record Date. The Standby Purchaser has also agreed to purchase, in a private placement, the shares of common stock that are offered to holders of our common stock and warrants but not subscribed for at the expiration of the Rights Offering (the "Standby Purchase Commitment") at a price per whole share equal to the \$6.50, subject to certain customary closing conditions, including completion of the proposed Rights Offering.

The Company intends to commence mailing subscription certificates evidencing the subscription rights and a copy of the prospectus for the Rights Offering to eligible holders of record as soon as possible. Holders of shares of common stock and warrants in "street name" through a brokerage account, bank or other nominee will not receive physical

subscription certificates evidencing the rights and must instruct their broker, bank or nominee whether to exercise subscription rights on their behalf. For any questions or further information about the rights offering, please call Broadridge Corporate Solutions, Inc., the Company's information and subscription agent for the Rights Offering, at (888) 789-8409.

A registration statement on Form S-1 (File No. 333-261504) relating to the rights offering has been filed with and declared effective by the SEC.
