U.S. Auto Parts Provides Additional Access to its First Quarter 2020 Conference Call

TORRANCE, Calif., May 7, 2020 /PRNewswire/ -- U.S. Auto Parts Network, Inc. (NASDAQ: PRTS), one of the largest online providers of aftermarket automotive parts and accessories, is providing a webcast link for its first quarter 2020 conference call, which took place on May 6, 2020.

"Due to technical difficulties experienced on the call resulting from a high volume of callers and network outages with the communication provider, we wanted to offer additional access to our prepared remarks and question-and-answer session," said CEO Lev Peker.

The conference call can be accessed [here](#), as well as on the investor relations section of the company's website at www.usautoparts.com. The webcast replay will be available through June 7, 2020.

About U.S. Auto Parts Network, Inc.

Established in 1995, U.S. Auto Parts is a leading online provider of automotive aftermarket parts, including collision, engine, and performance parts and accessories. Through its flagships websites www.carparts.com and www.jcwhitney.com, U.S. Auto Parts provides consumers with a broad selection of competitively priced products, all mapped by a proprietary database with applications based on vehicle makes, models and years. The Company's corporate website is www.usautoparts.com.

U.S. Auto Parts is headquartered in Torrance, California.
