Intellinetics, Inc. Introduces IntelliCloud™ Powered by the Intel® NUC

COLUMBUS, Ohio--(BUSINESS WIRE)-- Intellinetics, Inc. ([OTCQB: INLX](#)), a leading-edge technology company focused on the design, implementation and management of cloud-based Enterprise Content Management systems for the over 27 million 5-500 employee based companies that comprise the Small to Medium Business (SMB) U.S. market, announced its collaboration with Intel in building its benchmark IntelliCloud Channel Program for technology (IT) and business solution providers focused on SMB.

[Intellinetics](#)' growth strategy is focused on growing channel-based distribution with its IntelliCloud partner program. [IntelliCloud](#)'s innovative model creates a selling advantage and new revenue sources for SMB IT/business solution providers. The IntelliCloud program enables partners to easily integrate cloud-ready, turnkey document-workflow solutions into the core products and managed services they provide. Intellinetics turned to Intel for technology, market and technical collaboration to integrate the Intel® NUC platform as a mission-critical part of IntelliCloud creating a "deploy once, use many" framework for certified channel partners.

Bob Ferrar, Director of Marketing, Intel, Internet of Things Group, said, "IntelliCloud™ is powered by the Intel NUC platform delivering a robust, integrated and validated offering that drives down cost & time out of customer activation while providing information access when you need & where you need it. This program will be of interest to our network of Intel Technology Partners."

[Matthew L. Chretien, President and CEO](#) of Intellinetics, added, "The Intel NUC is a strategic IntelliCloud program enabler that delivers a secure, portable computing environment that simplifies and de-risks customer activation, while providing a managed platform for add-on solutions. The result is more value to the SMB buyer and more revenue for the channel. We look forward to additional technology and marketing collaboration with their exceptional team in 2015. It is a milestone to be working with Intel. The IntelliCloud – Intel story can be seen at <http://www.intel.com/content/www/us/en/nuc/nuc-intellinetics-video.html?wapkw=intellinetics>."
