About Nightfood Holdings:

Nightfood Holdings, Inc. (NGTF), owns Nightfood, Inc. and MJ Munchies, Inc.

On Feb 8, 2019, it was announced that Nightfood ice cream won the 2019 Product of the Year award in the ice cream category in a Kantar survey of over 40,000 consumers.

With the overwhelming majority of at-home ice cream consumption occurring in the hours before bed, Nightfood's sleep-friendly nighttime ice cream, formulated by sleep and nutrition experts, delivers benefits found in no other product on the market.

Market research giant Mintel recently released a report identifying nighttime specific food and beverages as one of their most "compelling and category changing" trends for 2017 and beyond.

To enter the Nightfood® Ice Cream Giveaway, where the Company is giving away a one-year supply of Nightfood ice cream, plus a brand-new freezer to store it in, visit <http://nightfoodicecream.com> – each entrant gets a coupon for a free pint of ice cream (some purchase may be required).

MJ Munchies, Inc. was formed in 2018 as a new, wholly owned subsidiary of Nightfood Holdings, Inc. to capitalize on legally compliant opportunities in the CBD and marijuana edibles and related spaces. The Company intends to market some of these new products under the brand name "Half-Baked". Munchies is currently preparing a patent application with the USPTO for a proprietary ingredient to be used in Half-Baked snacks that Management believes will give it a unique and defensible competitive advantage against other recreational edible brands. The Company believes tremendous opportunities currently exist to launch successful and legally compliant products in this space, and that such opportunities will continue to grow over time.
