ABOUT SOUTHWEST AIRLINES CO.

In its 47th year of service, Dallas-based [Southwest Airlines](#) (NYSE: LUV) differentiates itself above all other air carriers with exemplary Customer Service delivered by more than 55,000 Employees to more than 115 million Customers annually. Southwest became the nation's largest domestic air carrier in 2003 and maintains that ranking based on the U.S.

Department of Transportation's most recent reporting of domestic originating passengers boarded. Southwest operates more than 4,000 departures a day during peak travel periods among a network of 99 destinations in the United States and nine additional countries. Service to Turks and Caicos is scheduled to begin Nov. 5, 2017.

Southwest coined Transfarency® to describe its purposed philosophy of treating Customers honestly and fairly, empowering them to expect a reliably low and uniquely flexible fare from purchase through journey. Southwest is the only major U.S. airline to offer bags fly free® to everyone (first and second checked pieces of luggage, size and weight limits apply; some carriers offer free checked bags on select routes or in qualified circumstances), and Southwest never charges change fees, though fare differences might apply.

As launch customer of the Boeing 737 MAX 8, the Company operates the largest fleet in the world of Boeing aircraft, all of which are now equipped with satellite-based WiFi. That connectivity enables Customers to use personal devices to view video on-demand movies and television shows, as well as nearly 20 channels of free, live TV. In 2014, the airline proudly unveiled a bold new look: *Heart*. A new logo, aircraft livery, interior design featuring a new seat and Flight Attendant galley, Employee-designed uniforms, and an updated airport experience all showcase the dedication of Southwest Employees who connect Customers with what's important in their lives.

From its first flights on June 18, 1971, Southwest Airlines launched an era of unprecedented affordability in air travel described by the U.S. Department of Transportation as "The Southwest Effect," a lowering of fares and increase in passenger traffic whenever the carrier enters new markets. With 44 consecutive years of profitability, Southwest is one of the most honored airlines in the world, known for a triple bottom line approach that contributes to the carrier's performance and productivity, the importance of its People and the communities they serve, and an overall commitment to efficiency and the planet.
