# Phunware Announces Stock Repurchase Plan

AUSTIN, Texas, Jan. 05, 2023 (GLOBE NEWSWIRE) -- Phunware, Inc. (NASDAQ: PHUN) (“**Phunware**” or the “**Company**”) announced today that its Board of Directors has authorized a Stock Repurchase Plan under which the Company may repurchase up to \$5,000,000 of the Company’s outstanding common stock, par value \$0.0001 per share.

“We believe repurchasing our common stock is an attractive use of capital, given recent market prices,” stated Russ Buyse, Chief Executive Officer of the Company.

The Stock Repurchase Plan is expected to be completed over the next 12 months.

The shares may be repurchased from time to time in open market transactions at prevailing market prices. The actual timing, number and value of shares repurchased under the plan will be determined by management at its discretion and will depend on a number of factors, including the market price of the Company’s common stock, general market and economic conditions, and applicable legal requirements. The Company has no obligation to repurchase any shares under the Stock Repurchase Plan and may suspend or discontinue at any time.

## Forward-Looking Statements

This press release includes forward-looking statements. All statements other than statements of historical facts contained in this press release, including statements regarding our future results of operations and financial position, business strategy and plans, and our objectives for future operations, are forward-looking statements. The words “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “expose,” “intend,” “may,” “might,” “opportunity,” “plan,” “possible,” “potential,” “predict,” “project,” “should,” “will,” “would” and similar expressions that convey uncertainty of future events or outcomes are intended to identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking.

The forward-looking statements contained in this press release are based on our current

expectations and beliefs concerning future developments and their potential effects on us. Future developments affecting us may not be those that we have anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) and other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, those factors described under the heading “*Risk Factors*” in our filings with the Securities and Exchange Commission (the “SEC”), including our reports on Forms 10-K, 10-Q, 8-K and other filings that we make with the SEC from time to time. Should one or more of these risks or uncertainties materialize, or should any of our assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. These risks and others described under “*Risk Factors*” in our SEC filings may not be exhaustive.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. We caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, financial condition and liquidity, and developments in the industry in which we operate may differ materially from those made in or suggested by the forward-looking statements contained in this press release. In addition, even if our results or operations, financial condition and liquidity, and developments in the industry in which we operate are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments in subsequent periods.
