through increasing  
individuals'

responsibilities over time and fueling their professional growth. We believe this will help shape and grow our diverse talent base to be prepared to step up and operate the much larger company we plan to be over time.”

Billy Aldridge, Enovation Controls Senior Vice President and Managing Director, commented, “Enovation Controls is known for having a unique company culture that is deeply rooted in our values. What sets us apart is that we bring our core values to life every single day; we live, eat, sleep, and breathe them. They shape how we approach every activity, every day. I could not be prouder of our team for achieving this distinction now three years running.”

The Best Workplaces in Manufacturing & Production award is based on analysis of [survey responses](#) from over 57,000 employees from Great Place to Work-Certified™ companies in the manufacturing and production industry. The survey captures overall employee experience, including sentiment about growth and development, as well as company values, innovation, and leader effectiveness. Enovation Controls took the number two spot in their 2022 rankings of small and medium-sized (less than 1,000 employees) manufacturing and production companies.
