Bitcoin Depot® Launches Over 350 New Crypto ATMs

Largest and Fastest growing Operator Expands Cryptocurrency Access Across 40 U.S. Markets

ATLANTA, May 3, 2021 /PRNewswire/ -- [Bitcoin Depot](#) – the largest and fastest growing cryptocurrency ATM network – announced today the launch of over 350 new crypto ATMs opening across the U.S. The company has more than doubled its kiosk footprint in the last six months, surpassing 2,500 kiosks worldwide, as it continues its mission to provide easy and convenient access to cryptocurrency transactions for all.

Bitcoin Depot's kiosks exchange cash for cryptocurrency, allowing for simple, in-person exchanges that give users immediate buying power. The company's impressive growth demonstrates the increasing popularity of cryptocurrency transactions, as bitcoin and other digital cryptos move toward the mainstream. In fact, Bitcoin Depot has seen a surge of large convenience chains who have been hosting crypto ATMs, as well as several other [big-name companies](#) who are making moves to start accepting the top-rated cryptocurrency as a direct form of payment.

Throughout the past month, Bitcoin Depot deployed 355 crypto ATMs in 40 different states, including:

- 40 new kiosks across [Florida](#)
- 32 new kiosks across [North Carolina](#)
- 24 new kiosks across [Texas](#)
- 23 new kiosks across [California](#)
- 20 new kiosks across [Georgia](#)

"Cryptocurrency offers opportunities for people that don't have access to traditional financial services," said Bitcoin Depot President and CEO Brandon Mintz. "Our kiosks allow them to essentially self-bank through the digital wallet on their phone, by turning their cash into cryptocurrency which can be used transfer money, pay bills or invest. We are proud that our continued expansion will bring this option to more people across the world."

Bitcoin Depot expects to grow by 200% this year.
