"We are all looking forward to an amazing weekend of music, education, sharing and, of course, crowning the best products in the state, all of which will be on site all weekend."

In addition to the musical talent headlining this year's event, the Cannabis Cup in Oklahoma will be sponsored by [New Leaf Medicinals](#) – a Chickasha-based medical marijuana provider focused on providing high quality products and using sought after genetics to meet patients' needs – in addition to [Lotus Gold Dispensary](#) an extensive dispensary chain with 39 stores across Oklahoma whose mission is to educate citizens, consumers and medical professionals about the benefits of medical-grade THC products, and it's sister stores [CBD Plus USA](#), whose 50 stores follow a similar mission for non-psychoactive cannabinoids.

The High Times Cannabis Cup is the world's foremost cannabis festival. Originally founded in 1988 in Amsterdam, the Oklahoma event will allow hand-selected judges from around the state to sample and vote on their favorite marijuana products across 20 categories. Additional offerings at this years' events will include High Times' exhibitor village, which is made up of hundreds of brands from across the cannabis landscape, from growers to products to artists, as well as musical performances, art, food and much more.
