March 26, 2021

Dear Stockholder:

You are cordially invited to the 2021 Annual Meeting of Stockholders of Barings BDC, Inc., to be held virtually on Thursday, May 20, 2021 at 8:30 a.m. (Eastern Time), at the following website: www.virtualshareholdermeeting.com/BBDC2021.

The notice of Annual Meeting of Stockholders and proxy statement accompanying this letter provide an outline of the business to be conducted at the meeting.

It is important that your shares be represented at the Annual Meeting. If you are unable to attend the meeting virtually, I urge you to vote your shares by completing, dating and signing the enclosed proxy card and promptly returning it in the envelope provided. If a broker or other nominee holds your shares in "street name," your broker has enclosed a voting instruction form, which you should use to vote those shares. The voting instruction form indicates whether you have the option to vote those shares by telephone or by using the Internet. Your vote is important.

Sincerely yours,

Eric Lloyd
Chief Executive Officer

BARINGS BDC, INC.

NOTICE OF ANNUAL MEETING OF STOCKHOLDERS To Be Held On Thursday, May 20, 2021

To the Stockholders of Barings BDC, Inc.:

The 2021 Annual Meeting of Stockholders (the “Annual Meeting”) of Barings BDC, Inc. (the “Company”) will be held virtually on Thursday, May 20, 2021 at 8:30 a.m. (Eastern Time) at the following website: www.virtualshareholdermeeting.com/BBDC2021. The Annual Meeting will be held in a virtual meeting format only. You will not be able to attend the Annual Meeting in person.

You are being asked to consider and vote upon the following proposals:

1. To elect three Class III directors to serve for a three-year term and until their successors have been duly elected and qualify (Proposal No. 1);
2. To approve a proposal to authorize the Company, pursuant to subsequent approval of its Board of Directors, to issue and sell shares of its common stock (during the 12 months following such authorization) at a price below the Company’s then-current net asset value per share in one or more offerings, subject to certain limitations set forth in the Proxy Statement accompanying this Notice (including, without limitation, that the number of shares issued and sold pursuant to such authority does not exceed 30% of the Company’s then-outstanding common stock immediately prior to each such offering) (Proposal No. 2); and
3. To transact such other business as may properly come before the meeting.

We have enclosed our annual report on Form 10-K for the year ended December 31, 2020, proxy statement and a proxy card.

Our Board of Directors has fixed the close of business on March 12, 2021, as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting and at any adjournment or postponement thereof. We intend to mail these materials on or about March 26, 2021, to all stockholders of record entitled to vote at the Annual Meeting.

Each Company stockholder is invited to attend the Annual Meeting virtually. You or your proxyholder will be able to attend the Annual Meeting online, vote and submit questions by visiting www.virtualshareholdermeeting.com/BBDC2021 and using a control number assigned by Broadridge Financial Solutions, Inc. (“Broadridge”). Please see "How To Participate in the Annual Meeting" in the accompanying proxy statement for more information.

Whether or not you expect to be present at the virtual Annual Meeting, please sign the enclosed proxy card and return it promptly in the self-addressed envelope provided. Instructions are shown on the proxy card. If a broker or other nominee holds your shares in “street name,” that is they are registered in the name of your broker, bank, trustee or other nominee, you should have received a notice containing voting instructions from your nominee rather than from us. You should follow the voting instructions in the notice to ensure that your vote is counted. The voting instruction form indicates whether you have the option to vote those shares by telephone or by using the Internet.

Your vote is extremely important to the Company. In the event there are not sufficient votes for a quorum or to approve or ratify any of the foregoing proposals at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit further solicitation of proxies by the Company.

**OUR BOARD OF DIRECTORS INCLUDING EACH OF THE INDEPENDENT DIRECTORS,
UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" EACH OF THE PROPOSALS.**

If you have additional questions and you are a Barings BDC, Inc., stockholder you may contact the Company's Investor Relations department at 1-888-401-1088, or by email at BDCinvestorrelations@barings.com. You may also contact Broadridge, the Company's proxy solicitor, toll-free at 1-877-777-4652 for directions on how to attend the Annual Meeting virtually and how to vote during the virtual meeting.

By order of the Board of Directors,

A handwritten signature in black ink, appearing to read "Ashlee E. Steinnerd". The signature is written in a cursive style with a large, looped "S" at the end.

Ashlee E. Steinnerd
Secretary, Barings BDC, Inc.

Charlotte, North Carolina
March 26, 2021

This is an important Annual Meeting. To ensure proper representation at the Annual Meeting, please complete, sign, date and return the proxy card in the enclosed, self-addressed envelope, or vote your shares electronically via the Internet or by telephone. Please see the enclosed proxy statement and the enclosed proxy card for details about electronic voting. Even if you vote your shares prior to this Annual Meeting, you still may attend the meeting and vote your shares electronically via the live webcast if you wish to change your vote.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to Be Held on May 20, 2021:

Our notice of the Annual Meeting, proxy statement, and annual report on Form 10-K for the year ended December 31, 2020 are available on the internet at www.proxyvote.com.

The following information applicable to the Annual Meeting may be found in the notice of the Annual Meeting, proxy statement and accompanying proxy card:

- The date, time and location of the meeting;
- A list of the matters intended to be acted on and our Board of Directors' recommendations regarding those matters;
- Any control/identification numbers that you need to access your proxy card; and
- Information on how to obtain directions to attend the Annual Meeting electronically via the live webcast.

PROXY STATEMENT 2021 Annual Meeting of Stockholders

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Barings BDC, Inc. (the "Company," "Barings BDC," "we," "us" or "our") for use at our 2021 Annual Meeting of Stockholders to be held virtually on Thursday, May 20, 2021 at 8:30 a.m. (Eastern Time) at the following website: www.virtualshareholdermeeting.com/BBDC2021, and at any postponement or adjournment thereof (the "Annual Meeting"). The Notice of Annual Meeting, this proxy statement, the accompanying proxy card and our Annual Report for the fiscal year ended December 31, 2020, which includes audited financial statements for the year ended December 31, 2020, are first being released on or about March 26, 2021 to the Company's stockholders of record as of the close of business on March 12, 2021.

We encourage you to access the Annual Meeting prior to the start time. The live webcast will begin promptly at 8:30 a.m. (Eastern Time) on May 20, 2021. We will have technicians ready to assist you with any technical difficulties you may have accessing the live webcast. Technical support will be available on the meeting website starting approximately 8:15 a.m. (Eastern Time) and will remain available until the Annual Meeting has finished. The virtual meeting platform is fully supported across browsers (e.g., Internet Explorer, Firefox, Chrome, and Safari) and devices (desktops, laptops, tablets, and cell phones) running the most updated version of applicable software and plugins. Participants should ensure that they have a strong WiFi connection if they intend to participate in the Annual Meeting. Participants should also give themselves plenty of time to log in and ensure that they can hear audio prior to the start of the Annual Meeting. Please see "How to Participate in the Annual Meeting" below for additional details.

We encourage you to vote your shares, either by voting electronically via the live webcast of the Annual Meeting or by granting a proxy (i.e., authorizing someone to vote your shares). If you properly sign, date and mail the accompanying proxy card or authorize your proxy by telephone or through the Internet, and the Company receives it in time for voting at the Annual Meeting, the persons named as proxies will vote your shares in the manner that you specify. **If you give no instructions on the proxy card you execute, the shares covered by the proxy card will be voted "FOR" the election of the nominees as directors and "FOR" the proposal to authorize the Company, with the subsequent approval of its Board of Directors, to issue and sell shares of its common stock (during the 12 months following such authorization) at a price below its then-current net asset value per share in one or more offerings, subject to certain limitations set forth herein (including, without limitation, that the number of shares issued and sold pursuant to such authority does not exceed 30% of the Company's then-outstanding common stock immediately prior to each such offering). If any other business is brought before the Annual Meeting, your votes will be cast at the discretion of the proxy holders, subject to applicable SEC rules.**

Any stockholder "of record" (i.e., stockholders holding shares directly in their name) giving a valid proxy for the Annual Meeting may revoke it before it is exercised by giving a later-dated properly executed proxy, by giving notice of revocation to the Company's Secretary in writing before the Annual Meeting or by voting electronically via the live webcast of the Annual Meeting. However, the mere presence of the stockholder at the Annual Meeting does not revoke the proxy. Any stockholder of record attending the Annual Meeting virtually by live webcast may vote electronically whether or not he or she has previously authorized his or her shares to be voted by proxy.

If your shares are registered in the name of a bank, brokerage firm or other nominee, you will receive instructions from your bank, broker, or other nominee that you must follow in order to instruct how your shares are to be voted at the Annual Meeting. If your shares are registered in the name of a bank, brokerage firm or other nominee, to revoke any voting instructions prior to the time the vote is taken at the Annual Meeting, you must contact such broker, bank or other institution or nominee to determine how to revoke your vote in accordance with its policies a sufficient time

in advance of the Annual Meeting. Unless revoked as stated above, the shares of common stock represented by valid proxies will be voted on all matters to be acted upon at the Annual Meeting.

If you want to submit a question during the Annual Meeting, log into the live webcast at www.virtualshareholdermeeting.com/BBDC2021, type your question into the “Ask a Question” field, and click “Submit.”

Only questions submitted via the live webcast that are pertinent to Annual Meeting matters will be answered during the Annual Meeting, subject to time constraints. Questions or comments that are not related to the proposals under discussion, are about personal concerns not shared by stockholders generally, or use blatantly offensive language may be ruled out of order. Additionally, the Company may not be able to answer multiple questions submitted by the same stockholder. The Company intends to post and answer questions pertinent to the Annual Meeting matters that cannot be answered during the Annual Meeting due to time constraints online at the Company’s website at <https://ir.barings.com/annual-shareholder-meeting-materials>. The questions and answers will be available as soon as practicable after the Annual Meeting and will remain available until one week after posting.

PURPOSE OF ANNUAL MEETING

At the Annual Meeting, you will be asked to consider and vote on the following proposals:

1. To elect three Class III directors to serve for a three-year term and until their successors have been duly elected and qualify (Proposal No. 1);
2. To approve a proposal to authorize the Company, pursuant to subsequent approval of its Board of Directors, to issue and sell shares of its common stock (during the 12 months following such authorization) at a price below the Company’s then-current net asset value per share in one or more offerings, subject to certain limitations set forth in the Proxy Statement accompanying this Notice (including, without limitation, that the number of shares issued and sold pursuant to such authority does not exceed 30% of the Company’s then-outstanding common stock immediately prior to each such offering) (Proposal No. 2); and
3. To transact such other business as may properly come before the meeting, or any postponement or adjournment thereof.

The Board of Directors is not aware of any matter to be presented for action at the Annual Meeting other than the matters set forth herein. Should any other matter requiring a vote of stockholders arise, it is the intention of the persons named in the proxy to vote in accordance with their discretion on such matters. Stockholders have no dissenters' or appraisal rights in connection with any of the proposals described herein.

Adjournment and Additional Solicitation

If there appear to be insufficient votes to obtain a quorum at the Annual Meeting, the chairman of the meeting or the stockholders who are represented in person (electronically via the live webcast) or by proxy may vote to adjourn the Annual Meeting to permit further solicitation of proxies. If adjournment is submitted to the stockholders for approval, the designated Company proxy holders will vote proxies held by each of them for such adjournment to permit the further solicitation of proxies. Approval of any proposal to adjourn the Annual Meeting submitted to the stockholders for approval requires the affirmative vote of a majority of the votes cast on the proposal.

A stockholder vote may be taken on any of the proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval of such proposal.

VOTING SECURITIES

You may vote at the Annual Meeting only if you were a holder of record of the Company's common stock at the close of business on March 12, 2021 or if you hold a valid proxy from a stockholder of record as of such record date. As of March 12, 2021, there were 65,316,085 shares of the Company's common stock outstanding. Each share of common stock is entitled to one vote on each matter submitted to a vote at the Annual Meeting. Stockholders do not have the right to cumulate votes in the election of directors.

QUORUM REQUIRED

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, electronically via live webcast or by proxy, of the holders of shares of common stock of the Company entitled to cast a majority of the votes entitled to be cast as of the record date of March 12, 2021 will constitute a quorum for the purposes of the Annual Meeting. If there are not sufficient votes for a quorum or to approve or ratify any of the foregoing proposals at the time of the Annual Meeting, the chairman of the meeting may adjourn the Annual Meeting in order to permit further solicitation of proxies by the Company.

Abstentions and broker non-votes, if any, will be treated as shares present for the purpose of determining a quorum for the Annual Meeting. A “broker non-vote” with respect to a matter occurs when a broker, bank or other institution or nominee holding shares on behalf of a beneficial owner returns a proxy but has not provided voting instructions because it has not received voting instructions from the beneficial owner on a particular proposal and does not have, or chooses not to exercise, discretionary authority to vote the shares on such proposals. If a stockholder does not vote electronically via the live webcast or does not submit voting instructions to its broker, bank or other nominee, the broker, bank or other nominee will only be permitted to vote the stockholder’s shares on “routine” proposals. There are no “routine” proposals at the Annual Meeting. Therefore, the Company does not expect to receive any broker non-votes at the Annual Meeting.

VOTES REQUIRED

Proposal No. 1

You may vote “For” or “Against” or abstain from voting on Proposal No. 1 (to elect three Class III directors to serve for a term of three years, and until their successors are duly elected and qualify). For nominees for director listed in Proposal No. 1 to be elected, each director nominee requires a majority of the votes cast for his or her election, which means that each director nominee must receive more votes cast “FOR” than “AGAINST” that director nominee. For purposes of the vote on this proposal, abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum. If an incumbent director nominee does not receive the required number of votes for re-election, then under Maryland law, he or she will continue to serve as a director of the Company until his or her successor is duly elected and qualifies, subject to the Company’s corporate governance guidelines discussed further below.

Proposal No. 2

You may vote “For” or “Against” or abstain from voting on Proposal No. 2 (to authorize the Company, with the subsequent approval of its Board of Directors, to issue and sell shares of its common stock (during the 12 months following such authorization) at a price below its then-current net asset value per share in one or more offerings, subject to certain limitations set forth herein (including, without limitation, that the number of shares issued and sold pursuant to such authority does not exceed 30% of the Company’s then-outstanding common stock immediately prior to each such offering)). To be approved, Proposal No. 2 must receive “FOR” votes from each of the following: (1) a majority of the outstanding shares of the Company’s common stock; and (2) a majority of the outstanding shares of the Company’s common stock that are not held by affiliated persons of the Company. For purposes of Proposal No. 2, the Investment Company Act of 1940, as amended (the “1940 Act”), defines a “majority of the outstanding shares” as the vote of the lesser of: (1) 67% or more of the voting securities of the Company present at the Annual Meeting, if the holders of more than 50% of the outstanding voting securities of the Company are present virtually or represented by proxy; or (2) more than 50% of the outstanding voting securities of the Company. For purposes of the vote on Proposal No. 2, abstentions and broker non-votes, if any, will have the effect of votes cast against the proposal.

HOW TO PARTICIPATE IN THE ANNUAL MEETING

The Annual Meeting will be conducted virtually, on Thursday, May 20, 2021 at 8:30 a.m. (Eastern Time) via live webcast.

Stockholders of record can participate in the Annual Meeting virtually by logging in to www.virtualshareholdermeeting.com/BBDC2021 and following the instructions provided. We recommend that you log in at least ten minutes before the Annual Meeting to ensure you are logged in when the meeting starts. Only registered stockholders as of March 12, 2021, the record date for the Annual Meeting, may submit questions and vote at the Annual Meeting. You may still virtually participate in the Annual Meeting if you vote by proxy in advance of the Annual Meeting.

Upon written request from a stockholder of record as of the record date, the Company's legal counsel, Dechert LLP, will stream the webcast live at its offices located at 1900 K Street NW, Washington, DC 20006. Please note that no members of the Company's management or the Board will be in attendance at this location. If you wish to attend the Annual Meeting via webcast at the Washington, DC offices of Dechert LLP, please submit a written request to Barings BDC, Inc., Attention: Corporate Secretary, 300 South Tryon Street, Suite 2500, Charlotte, NC 28202, to be received no later than May 14, 2021. Your written request must include your name as stockholder of record and the number of shares of the Company's common stock you hold.

Please note that if you hold your shares through a bank, broker or other nominee (i.e., in street name), you may be able to authorize your proxy by telephone or the Internet, as well as by mail. You should follow the instructions you receive from your bank, broker or other nominee to vote these shares. Also, if you hold your shares in street name, you must obtain a proxy executed in your favor from your bank, broker or nominee to be able to participate in and vote via the Annual Meeting webcast.

The Company and Dechert LLP are sensitive to the health and travel concerns of the Company's stockholders and recommendations from public health officials. Due to the difficulties arising from COVID-19, the location, means, or other details of attending the webcast of the Annual Meeting at Dechert LLP's Washington, DC offices may change. In the event of such a change, and if a stockholder of record has requested to attend the meeting via webcast at Dechert LLP's Washington, DC offices, the Company will issue a press release announcing the change and file the announcement on the SEC's EDGAR system, along with other steps, but may not deliver additional soliciting materials to stockholders or otherwise amend the proxy materials. The Company plans to announce these changes, if any, at <https://ir.barings.com/>, and encourages you to check the "Investor Relations" and "Latest News" sections of this website prior to the Annual Meeting if you plan to attend the webcast at the Washington, DC offices of Dechert LLP.

INFORMATION REGARDING THIS SOLICITATION

The Company will bear the cost of solicitation of proxies in the form accompanying this statement. Proxies will be solicited by mail or by requesting brokers and other custodians, nominees and fiduciaries to forward proxy soliciting material to the beneficial owners of shares of common stock held of record by such brokers, custodians, nominees and fiduciaries, each of whom the Company will reimburse for its expenses in so doing. In addition to the use of mail, directors, officers and regular employees of Barings LLC, the Company's external investment adviser ("Barings" or the "Adviser"), without special compensation therefor, may solicit proxies personally or by telephone, electronic mail, facsimile or other electronic means from stockholders. The address of Barings LLC is 300 South Tryon Street, Suite 2500, Charlotte, NC 28202.

The Company has engaged the services of Broadridge Financial Solutions, Inc. ("Broadridge") for the purpose of assisting in the solicitation of proxies at an anticipated cost of approximately \$5,000 plus reimbursement of certain expenses and fees for additional services requested. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners and obtaining your voting instructions. Please note that Broadridge may solicit stockholder proxies by telephone on behalf of the Company. They will not attempt to influence how you vote your shares, but only ask that you take the time to authorize your proxy. You may also be asked if you would like to authorize your proxy over the telephone and to have your voting instructions transmitted to the Company's proxy tabulation firm.

Stockholders may authorize proxies and provide their voting instructions through the Internet, by telephone, or by mail by following the instructions on the proxy card. These options require stockholders to input the Control Number, which is provided on the proxy card. If you authorize a proxy using the Internet, after visiting

www.proxyvote.com and inputting your Control Number, you will be prompted to provide your voting instructions. Stockholders will have an opportunity to review their voting instructions and make any necessary changes before submitting their voting instructions and terminating their Internet link. Stockholders who authorize a proxy via the Internet, in addition to confirming their voting instructions prior to submission, will, upon request, receive an e-mail confirming their instructions.

If a stockholder wishes to participate in the Annual Meeting but does not wish to authorize his, her or its proxy by telephone or Internet, the stockholder may authorize a proxy by mail by completing and executing the accompanying proxy card and returning it in the postage-paid envelope or attend the Annual Meeting via live webcast.

YOUR VOTE IS IMPORTANT. WHETHER OR NOT YOU PLAN TO ATTEND THE ANNUAL MEETING VIRTUALLY, PLEASE PROMPTLY VOTE YOUR SHARES EITHER BY MAIL, BY TELEPHONE, OR VIA THE INTERNET.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

The Board of Directors is currently comprised of eight Directors divided into three (3) classes, with terms expiring in 2021, 2022 and 2023. The term of office of Class III Directors ends on the date of the Annual Meeting (or on the date their respective successors are elected and qualify, if later).

The Company's Class III Directors, David Mihalick, Thomas W. Okel, and Jill Olmstead have been nominated by the Board of Directors (upon the recommendation of the Nominating and Corporate Governance Committee) for election for a three-year term expiring in 2024. No person being nominated as a Class III Director is being proposed for election pursuant to any agreement or understanding between such person, on the one hand, and the Company or any other person or entity, on the other hand. Each Class III Director has agreed to serve as a director if elected and has consented to be named as a nominee.

Pursuant to the Company's Seventh Amended and Restated Bylaws (the "Bylaws"), a nominee for director is elected to the Board of Directors if the number of votes cast for such nominee's election exceed the number of votes cast against such nominee's election. Pursuant to the Company's corporate governance guidelines, incumbent directors must agree to tender their resignation if they fail to receive the required number of votes for re-election, and in such event the Board of Directors will act within 90 days following certification of the stockholder vote to determine whether to accept the director's resignation. These procedures are described in more detail in the Company's corporate governance guidelines, which are available under "Governance Documents" on the Investor Relations section of the Company's website at <https://ir.barings.com/governancedocs>. The Board of Directors may consider any factors it deems relevant in deciding whether to accept a director's resignation. If a director's resignation offer is not accepted by the Board of Directors, the Company expects that such director would continue to serve until his or her successor is duly elected and qualifies, or until the director's earlier death, resignation, or removal. Any such director will be eligible for nomination for election as a director at future Annual Meetings.

The Board of Directors recommends that you vote "FOR" the election of the nominees named in this proxy statement.

In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy for the election of all the nominees named below. If any of the nominees should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person or persons who are nominated as replacements. The Board of Directors has no reason to believe that any of the persons named below will be unable or unwilling to serve.

Information about the Nominees for Director and Other Directors

The following chart summarizes the professional experience and additional considerations that contributed to the Nominating and Corporate Governance Committee's and the Board of Directors' conclusion that each nominee for Director and other Director should serve on the Board of Directors. The term "Fund Complex" included in the director biographies included in this proxy statement includes the Company, Barings Capital Investment Corporation ("BCIC") (a non-listed business development company), Barings Funds Trust (an open-end fund consisting of seven portfolio funds), Barings Global Short Duration High Yield Fund, Barings Corporate Investors (a closed-end fund), and Barings Participation Investors (a closed-end fund). The director information in the following chart is organized by class and, within each class, by "Interested Directors" and "Non-Interested Directors." "Interested Directors" are "interested persons," as defined in Section 2(a)(19) of the 1940 Act, of the Company.

NOMINEES FOR CLASS III DIRECTOR

Name, Address and Age ⁽¹⁾	Position(s) Held with Company	Term and Length of Time Served	Principal Occupations During Past 5 Years	Number of Portfolios Overseen in Fund Complex ⁽²⁾	Other Directorships of Public or Registered Investment Companies Held by Director or Nominee for Director During Past 5 Years

(4) *Effective November 5, 2020, Michael Freno became Chairman and Chief Executive Officer of Barings LLC.*

Qualifications of Director Nominees and Other Directors.

The following provides an overview of the considerations that led the Nominating and Corporate Governance Committee and the Board of Directors to recommend and approve the election or appointment of the individuals serving as a Director or nominee for Director. Each of the Directors has demonstrated superior credentials and recognition in his or her respective field and the relevant expertise and experience upon which to be able to offer advice and guidance to the Company's management. In recommending the election or appointment of the Board members or nominees, the Nominating and Corporate Governance Committee generally considers certain factors including the current composition of the Board of Directors, overall business expertise, gender, cultural and racial diversity, whether the composition of the Board of Directors contains a majority of independent directors as determined under the NYSE listing standards and the 1940 Act, the candidate's character and integrity, whether the candidate possesses an inquiring mind, vision and the ability to work well with others, conflicts of interest interfering with the proper performance of the responsibilities of a director, a candidate's overall business experience, what type of diversity he or she brings to the Board of Directors, whether the candidate has sufficient time to devote to the affairs of the Company, including consistent attendance at Board of Directors and committee meetings and advance review of materials and whether each candidate can be trusted to act in the best interests of the Company and its stockholders.

Nominees for Class III Directors: Term Expiring at 2021 Annual Stockholder Meeting

- ***Mr. Mihalick*** — Mr. Mihalick brings over 16 years of experience in the financial services industry. He is Barings LLC's Head of U.S. Public Fixed Income with primary responsibility for the U.S. High Yield and Investment Grade Investment Groups. Mr. Mihalick serves as Chairman of the U.S. High Yield Investment Committee, a member of the Global High Yield Allocation Committee and a portfolio manager on various high yield strategies. Prior to his current role, he served as Head of Barings LLC's U.S. High Yield Credit Research Group where he was responsible for directing the research efforts of over 25 analysts. Prior to joining Barings LLC in 2008, he was a Vice President with Wachovia Securities Leveraged Finance Group. At Wachovia he was responsible for sell-side origination of leveraged loans and high yield bonds to support both corporate and private equity issuers. Prior to entering the financial services industry, he served as an officer in the United States Air Force and worked in the telecommunications industry for 7 years. Mr. Mihalick holds a B.S. from the United States Air Force Academy, an M.S. from the University of Washington and an M.B.A. from Wake Forest University.
- ***Mr. Okel*** — Mr. Okel brings over 20 years of experience in the underwriting, structuring, distribution and trading of debt used for corporate acquisitions, leveraged buyouts, recapitalizations and refinancings. He previously served as Executive Director of Catawba Lands Conservancy, a non-profit land trust. Prior to joining Catawba Lands Conservancy, he served as Global Head of Syndicated Capital Markets at Bank of America Merrill Lynch, where he managed capital markets, sales, trading and research for the United States, Europe, Asia and Latin America from 1989 to 2010. He currently serves as trustee or director of several public companies and non-profit organizations, including as Trustee of Barings Funds Trust, an open-end investment company and Barings Global Short Duration High Yield Fund, a closed-end investment company (both advised by Barings), Trustee of the Horizon Funds, a mutual fund complex. Mr. Okel holds a Bachelor of Arts in Economics from Davidson College and a Masters of Management, Finance, Accounting and Marketing from Kellogg School of Management, Northwestern University.
- ***Ms. Olmstead*** — Ms. Olmstead brings over 21 years of senior leadership experience in Human Resources in the financial services industry to her role as the Chair of the Company's Compensation Committee. She is currently the Chief Human Resources Officer at LendingTree, Inc. and was a Founding Partner of Spivey & Olmstead, LLC, a Talent and Leadership Consulting firm with expertise in the fields of executive development and talent management founded in June 2010. The Board benefits from her experience with C-suite executives as an executive coach and helping lead companies' efforts on talent strategies such as diversity and inclusion, employee engagement, and succession planning and her strategic and pragmatic approach to talent management with an eye toward bottom line results. In her capacity as Managing Director (2006 to 2009) and Executive Vice President (2000 to 2006) at Wachovia Corporation (now Wells Fargo) she was both the Head of Human Resources for the Corporate and Investment Bank and the Head of

Human Resources for the International Businesses. Prior to this, she formed and led the Leadership Practices Group at Wachovia to create and implement a company-wide talent management process that identified, developed, tracked and promoted high potential leaders throughout their careers. Ms. Olmstead received a Bachelor of Science at Clemson University and a Masters in Organization Behavior and Development at Fielding University, Santa Barbara, CA.

Directors Continuing in Office

Class I Directors; Term expiring at the 2022 Annual Stockholder Meeting

- ***Mr. Lloyd*** — Mr. Lloyd brings over 30 years of experience in investment management, investment banking, leveraged finance and risk management to the Board. Mr. Lloyd serves as the Global Head of Private Assets of Barings LLC where he is responsible for managing all aspects of Barings LLC's global private asset businesses, including real estate debt and equity, multi-asset, middle market lending, infrastructure debt, corporate private placements, private asset-backed securities, whole loan residential mortgages, private equity funds and co-investments and private equity real assets. He also oversees strategic relationship management, is a member of Barings LLC's Senior Leadership Team and serves as Chief Executive Officer of the Company. Mr. Lloyd has worked in the industry since 1990 and his experience has encompassed leadership positions in investment management, investment banking, leveraged finance and risk management. Prior to joining Barings in 2013, Mr. Lloyd served as Head of Market and Institutional Risk for Wells Fargo, was on Wells Fargo's Management Committee and was a member of the Board of Directors of Wells Fargo Securities. Before the acquisition of Wachovia, Mr. Lloyd worked in Wachovia's Global Markets Investment Banking division and served on the division's Operating Committee where he had various leadership positions, including Head of Wachovia's Global Leveraged Finance Group. Mr. Lloyd holds a B.S. in Finance from the University of Virginia's McIntire School of Commerce.
- ***Mr. Mulhern*** — Mr. Mulhern brings significant public company experience, both as a senior executive and as a board member. Since September 2014, he has served as Executive Vice President and Chief Financial Officer at Highwoods Properties, Inc., a Raleigh, North Carolina based publicly-traded real estate investment trust. Mr. Mulhern previously served on the Highwoods Board of Directors and Audit Committee from January 2012 through August 2014. He currently serves on the board of the Intercontinental Exchange, a Fortune 500 company and provider of marketplace infrastructure, data service and technology solutions to a broad range of customers. He also serves on the subsidiary board of ICE Mortgage Technology. Mr. Mulhern also currently serves on the board of McKim and Creed, a North Carolina based professional engineering services firm. Prior to joining Highwoods, he served as Executive Vice President and Chief Financial Officer of Exco Resources, Inc. Prior to Exco, he served as Senior Vice President and Chief Financial Officer of Progress Energy, Inc. from 2008 until its merger with Duke Energy Corporation in 2012. He joined Progress Energy in 1996 as Vice President and Controller and served in a number of roles at Progress Energy, including Vice President of Strategic Planning, Senior Vice President of Finance and President of Progress Ventures. He also spent eight years at Price Waterhouse. Mr. Mulhern is a Certified Public Accountant and is a graduate of St. Bonaventure University.
- ***Mr. Knapp*** — Mr. Knapp brings over 25 years of experience in the financial services industry to the Board. He is the Founder and Chief Investment Officer of Ironsides Partners LLC, a Boston-based investment manager specializing in closed-end funds, holding companies, and asset value investing generally. Ironsides and related entities serve as the manager and general partner to various funds and managed accounts for institutional clients. Mr. Knapp is also a director of Okeanis Eco Tankers, Emergent Capital, and the Pacific Alliance Asia Opportunity Fund and its related entities and Pacific Alliance Group Asset Management Ltd., based in Hong Kong. He is a principal and director of Africa Opportunity Partners Limited, a Cayman Islands company that serves as the investment manager to Africa Opportunity Fund Limited. Additionally, Mr. Knapp serves as a member of the Board of Managers of Veracity Worldwide LLC. Mr. Knapp previously served as the Lead Independent Director of MVC Capital, Inc. until completion of its merger with the Company in December 2020 and was previously an independent, nonexecutive director of Castle Private Equity AG and MPC Container Ships. He also acted as Managing Director for over ten years at Millennium Partners in New York. In the non-profit sector, Mr. Knapp serves

as a director of the Massachusetts Eye and Ear Infirmary, and is a Trustee of the Children's School of Science and the Sea Education Association.

Class II Directors; Term expiring at the 2023 Annual Stockholder Meeting

- ***Mr. Freno*** — Mr. Freno is the Chairman, Chief Executive Officer and President, of Barings LLC, a \$345+ billion global financial services firm with offices across the U.S., Europe, Australia and Asia. His experience canvasses two decades on the buy-side, focusing on both equity and debt investments, where he gained a reputation as an inclusive leader, long-term thinker and trusted partner to clients. Previously, Mr. Freno was President of Barings LLC overseeing Barings' investments, sales, operations and technology. He is the Chair of the Barings Board of Directors, and Chairman of the Board of the Company and BCIC, an externally managed business development company managed by Barings. Mr. Freno holds a B.A. from Furman University and an M.B.A. from Wake Forest University.
- ***Mr. Switzer*** — Mr. Switzer brings over 35 years of public accounting firm experience to the Board. Since May 2017, Mr. Switzer has served as a member of the Board of Directors of Carolina Tractor and Equipment Company (CTE), a large, privately held Southeastern supplier of construction, forestry, and paving equipment. Since September 2019, Mr. Switzer has also served as a member of the Board of Directors of HomeTrust Bancshares, Inc., a publicly traded regional banking organization, where he also serves on the Audit Committee. Previously, Mr. Switzer served as managing partner of KPMG's Charlotte office (starting in 2009) until retirement in 2016, where he was also the market leader for KPMG's Carolinas, Florida, and San Juan offices. Prior to these positions, he served as managing partner of KPMG's Cleveland (1999 to 2007) and Kentucky (Louisville and Lexington) (1988 to 1998) offices. Mr. Switzer currently serves on the boards of The Foundation for the Mint Museum and the National Association of Corporate Directors, Carolinas Chapter.

COMPENSATION DISCUSSION

The Company's executive officers are employees of Barings and do not receive any direct compensation from the Company. Barings serves as our external investment adviser and manages the Company's investment portfolio under the terms of an amended and restated investment advisory agreement (the "Advisory Agreement"), in connection with which the Company pays Barings a base management fee and an incentive fee, the details of which are disclosed in the Company's annual report on Form 10-K for the fiscal year ended December 31, 2020, which is being mailed to stockholders along with this proxy statement.

The Company's day-to-day investment operations are managed by Barings and services necessary for its business, including the origination and administration of its investment portfolio are provided by individuals who are employees of Barings, as investment adviser and administrator, pursuant to the terms of the Advisory Agreement and an administration agreement (the "Administration Agreement"). The Company reimburses Barings, in its capacity as administrator, for the cost and expenses incurred by it in performing its obligations and providing personnel and facilities under the Administration Agreement in an amount to be negotiated and mutually agreed to by the Company and Barings quarterly in arrears. In no event will the agreed-upon quarterly expense amount exceed the amount of expenses that would otherwise be reimbursable by the Company under the Administration Agreement for the applicable quarterly period, and Barings will not be entitled to the recoupment of any amounts in excess of the agreed-upon quarterly expense amount. The costs and expenses incurred by Barings on our behalf under the Administration Agreement include, but are not limited to:

- the allocable portion of Barings' rent for the Company's Chief Financial Officer and Chief Compliance Officer and their respective staffs, which is based upon the allocable portion of the usage thereof by such personnel in connection with their performance of administrative services under the Administration Agreement;
- the allocable portion of the salaries, bonuses, benefits and expenses of the Company's Chief Financial Officer and Chief Compliance Officer and their respective staffs, which is based upon the allocable portion of the time spent by such personnel in connection with performing administrative services for the Company under the Administration Agreement;
- the actual cost of goods and services used for the Company and obtained by Barings from entities not affiliated with the Company, which is reasonably allocated to the Company on the basis of assets, revenues, time records or other methods conforming with generally accepted accounting principles;
- all fees, costs and expenses associated with the engagement of a sub-administrator, if any; and
- costs associated with (a) the monitoring and preparation of regulatory reporting, including registration statements and amendments thereto, prospectus supplements, and tax reporting, (b) the coordination and oversight of service provider activities and the direct cost of such contractual matters related thereto and (c) the preparation of all financial statements and the coordination and oversight of audits, regulatory inquiries, certifications and sub-certifications.

DIRECTOR COMPENSATION

The Company's directors are divided into two groups — interested directors and independent directors. Interested directors are “interested persons” as defined in Section 2(a)(19) of the 1940 Act. During 2020, the Company's directors who were employed by Barings did not receive any compensation for their service as members of the Board of Directors. The compensation table below sets forth compensation that the Company's independent directors (none of which were employees of the Company or Barings) earned during the year ended December 31, 2020.

Name	Fees Earned or Paid in Cash	All Other Compensation ⁽¹⁾	Total
Mark Mulhern	\$ 120,000	\$ 569	\$ 120,569
John A. Switzer	\$ 120,000	\$ —	\$ 120,000
Thomas W. Okel	\$ 120,000	\$ —	\$ 120,000
Jill Olmstead	\$ 120,000	\$ —	\$ 120,000
Robert Knapp ⁽²⁾	\$ —	\$ —	\$ —

(1) All other compensation includes reimbursement of out-of-pocket expenses

(2) Mr. Knapp became a director of the Company effective December 23, 2020, effective immediately after the closing of the Company's merger with MVC Capital, Inc. and did not receive any compensation as a director in 2020

Director Fees

During the fiscal year ended December 31, 2020, each independent director of the Board of Directors was paid an annual board retainer of \$120,000, payable in quarterly installments. Effective January 1, 2021, each independent director of the Board of Directors will be paid an annual board retainer of \$120,000, payable in quarterly installments, and each of the Board's lead independent director and the chair of the Board's Audit Committee will receive an additional \$10,000 annual retainer in recognition of the increased responsibilities associated with each such position.

In addition, the Company reimburses independent directors for any out-of-pocket expenses related to their service as members of the Board of Directors. The independent directors of the Board of Directors do not receive any stock-based compensation for their service as members of the Board of Directors. The Company's directors who are employed by Barings do not receive any compensation for their service as members of the Board of Directors.

CORPORATE GOVERNANCE

Director Independence

The Board of Directors has a majority of directors who are independent under the listing standards of the New York Stock Exchange (“NYSE”). The NYSE Listed Company Rules provide that a director of a BDC shall be considered to be independent if he or she is not an “interested person” of the Company, as defined in Section 2(a)(19) of the 1940 Act. Section 2(a)(19) of the 1940 Act defines an “interested person” to include, among other things, any person who has, or within the last two years had, a material business or professional relationship with the Company.

The Board of Directors has determined that Ms. Olmstead and Messrs. Mulhern, Okel, Switzer, and Knapp are independent (or not “interested person” of the Company). Based upon information requested from each such director concerning his or her background, employment and affiliations, the Board of Directors has affirmatively determined that none of the independent directors has a material business or professional relationship with the Company, other than in his or her capacity as a member of the Board of Directors or any committee thereof. All of the members of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee are not “interested persons” as defined in Section 2(a)(19) of the 1940 Act.

Meetings of the Board of Directors and Committees

In 2020, the Board of Directors held eight meetings of the Board of Directors, as well as nine Audit Committee meetings, one Compensation Committee meeting, and three Nominating and Corporate Governance Committee meetings. During 2020, none of the members of the Board of Directors attended less than 75% of the aggregate number of meetings of the Board of Directors and of the respective committees on which they served.

Each of the Company's directors makes a diligent effort to attend all board and committee meetings, as well as each Annual Meeting of Stockholders. We encourage, but do not require, our directors to attend annual meetings of stockholders. Three members of the Board of Directors attended the Company's 2020 Annual Meeting of Stockholders.

Audit Committee

The Company has a separately-designated standing Audit Committee, as defined in Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The Audit Committee is responsible for oversight matters, financial statement and disclosure oversight matters, matters relating to the hiring, retention and oversight of the Company’s independent registered public accounting firm, reviewing the plans, scope and results of the audit engagement with the Company’s independent registered public accounting firm, approving professional services provided by the Company’s independent registered public accounting firm, reviewing the independence of the Company’s independent registered public accounting firm, reviewing the integrity of the audits of the financial statements and reviewing the adequacy of the Company’s internal accounting controls. The Audit Committee also assists our Board of Directors in establishing and monitoring the application of the Company’s valuation policies used for determining the fair value of the Company’s investments that are not publicly traded or for which current market values are not readily available.

The Audit Committee Charter is publicly available under “Governance Documents” on the Investor Relations section of the Company’s website at <https://ir.barings.com/governance-docs>. The contents of the Company’s website are not intended to be incorporated by reference into this proxy statement or in any other report or document it files with the SEC, and any references to the Company’s website are intended to be inactive textual references only.

The members of the Company’s Audit Committee are Messrs. Mulhern, Okel, Switzer and Knapp and Ms. Olmstead. Mr. Mulhern serves as the chairman of the Audit Committee. The Board of Directors has determined that Mr. Mulhern is an “audit committee financial expert” as defined under Item 407(d)(5) of Regulation S-K of the Exchange Act and that all members of the Audit Committee are financially literate under NYSE listing standards. The Board of Directors also has determined that each of Messrs. Mulhern, Okel, Switzer and Knapp and Ms. Olmstead meet the current independence requirements of Rule 10A-3 of the Exchange Act and NYSE listing standards.

Compensation Committee

The Compensation Committee is responsible for determining, or recommending to the Board of Directors for approval, the compensation of the Company's independent directors; determining, or recommending to the Board of Directors for determination, the compensation, if any, of the Company's chief executive officer and all other executive officers of the Company; and assisting the Board of Directors with matters related to compensation generally.

In connection with reviewing, and recommending to the Board of Directors, the compensation of the independent directors, the Compensation Committee evaluates the independent directors' performance in light of goals and objectives relevant to the independent directors and sets independent directors' compensation based on such evaluation and such other factors as the Compensation Committee deems appropriate and in the best interests of the Company (including the cost to the Company of such compensation and a review of data of comparable business development companies).

Currently none of the Company's executive officers is compensated by the Company and, as a result, the Compensation Committee does not produce and/or review a report on executive compensation practices. The Compensation Committee also has the authority to engage compensation consultants, legal counsel or other advisors (each, a "Consultant") following consideration of certain factors related to such Consultants' independence and has the authority to form and delegate any of its responsibilities to a subcommittee of the Compensation Committee. The Compensation Committee Charter is available under "Governance Documents" on the Investor Relations section of our website at <https://ir.barings.com/governance-docs>.

The members of the Compensation Committee are Messrs. Mulhern, Okel, Switzer, and Knapp and Ms. Olmstead, each of whom is not an "interested person" for purposes of Section 2(a)(19) of the 1940 Act and is independent under the applicable NYSE corporate governance listing standards. Ms. Olmstead serves as the chair of the Compensation Committee. No members of the Compensation Committee during 2020 had any relationship with the Company requiring disclosure under Item 404 of Regulation S-K under the Exchange Act.

Compensation Committee Interlocks and Insider Participation

No interlocking relationship, as defined by the rules adopted by the SEC, existed during the year ended December 31, 2020 between any member of the Board of Directors or the Compensation Committee and an executive officer of the Company.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for identifying, researching and recommending for nomination directors for election by the Company's stockholders, recommending for appointment nominees to fill vacancies on the Board of Directors or a committee of the Board of Directors, developing and recommending to the Board of Directors a set of corporate governance principles and overseeing the evaluation of the Board of Directors. The Nominating and Corporate Governance Committee's policy is to consider nominees properly recommended by the Company's stockholders in accordance with the Company's charter, Bylaws and applicable law. For more information on how the Company's stockholders may recommend a nominee for a seat on the Board of Directors, see "Stockholder Nominations and Proposals for the 2022 Annual Meeting" under the section "Additional Information" in this proxy statement. The Nominating and Corporate Governance Committee also has the authority to retain, at the Company's expense, such consultants or advisors as the Committee may deem necessary or appropriate to carry out its duties. The Committee has sole authority to retain or terminate any search firm or individual used to identify any director candidate, including the sole authority to approve the search firm's fees and retention terms.

The Nominating and Corporate Governance Committee Charter is publicly available under "Governance Documents" on the Investor Relations section of the Company's website at <https://ir.barings.com/governance-docs>.

The members of the Nominating and Corporate Governance Committee are Messrs. Mulhern, Okel, Switzer and Knapp and Ms. Olmstead, each of whom is not an "interested person" for purposes of Section 2(a)(19) of the 1940

Act and is independent under the NYSE corporate governance listing standards. Mr. Okel serves as the chairman of the Nominating and Corporate Governance Committee. Each nominee for election under Proposal No. 1 at the Annual Meeting was recommended by the members of the Nominating and Corporate Governance Committee to the Board of Directors, which approved such nominees.

Communication with the Board of Directors

Barings BDC, Inc. stockholders and other interested parties may communicate with any member of our Board (including the chairman), the chairman of any of our Board committees, or with our non-management directors as a group by sending communications to Barings BDC, Inc., 300 South Tryon St., Suite 2500, Charlotte, North Carolina 28202, or via e-mail to BDCinvestorrelations@barings.com, or by calling the Barings BDC, Inc.'s investor relations department at 1-888-401-1088. All such communications should indicate clearly the director or directors to whom the communication is being sent so that each communication, other than unsolicited commercial solicitations, may be forwarded directly to the appropriate director(s).

The Composition of the Board of Directors and Leadership Structure

The 1940 Act requires that at least a majority of the Company's directors not be "interested persons" (as defined in the 1940 Act) of the Company. Currently, five of the Company's eight directors are independent directors (and are not "interested persons"). However, Mr. Freno, the Chairman, Chief Executive Officer, and President of Barings LLC, and therefore an interested person of the Company, serves as Chairman of the Board of Directors. The Board of Directors believes that it is in the best interests of investors for Mr. Freno to lead the Board of Directors because of his role as Chairman, Chief Executive Officer, and President of Barings LLC and his broad experience with the day-to-day management and operation of fixed income, public equity and multi-asset investment teams and his extensive experience on the buy-side, focusing on both equity and debt investments. In addition, the Board of Directors designated Mr. Okel as lead independent director to preside over all executive sessions of independent directors. The Board of Directors believes that its leadership structure is appropriate in light of the Company's characteristics and circumstances because the structure allocates areas of responsibility among the individual directors and the committees in a manner that enhances effective oversight. The Board of Directors also believes that its small size creates a highly efficient governance structure that provides ample opportunity for direct communication and interaction between the Board of Directors and the Company's management.

The Oversight Role of the Board of Directors

The Board of Directors' role in management of the Company is one of oversight. Oversight of the Company's investment activities extends to oversight of the risk management processes employed by Barings as part of its day-to-day management of the Company's investment activities. The Board of Directors reviews risk management processes throughout the year, consulting with appropriate representatives of Barings as necessary and periodically requesting the production of risk management reports or presentations and receiving reports from vendors and service providers regarding cybersecurity threats and incidents. The goal of the Board of Directors' risk oversight function is to ensure that the risks associated with the Company's investment activities are accurately identified, thoroughly investigated and responsibly addressed. The Audit Committee (which consists of all the independent directors) is responsible for approving the Company's independent accountants, reviewing with the Company's independent accountants the plans and results of the audit engagement, approving professional services provided by the Company's independent accountants, reviewing the independence of the Company's independent accountants and reviewing the adequacy of the Company's internal accounting controls. The Audit Committee also monitors the application of the Company's valuation policies used for determining the fair value of the Company's investments that are not publicly traded or for which current market values are not readily available. Stockholders should note, however, that the Board of Directors' oversight function cannot eliminate all risks or ensure that particular events do not adversely affect the value of investments.

In accordance with the 1940 Act, the Company's directors have adopted and implemented written policies and procedures reasonably designed to prevent violation of the U.S. federal securities laws, and we review these compliance policies and procedures annually for their adequacy and the effectiveness of their implementation. In addition, we have designated Michael Cowart as the Company's Chief Compliance Officer. As such, Mr. Cowart is

responsible for administering the Company's compliance program and meeting with the Board of Directors at least annually to assess its effectiveness.

Code of Business Conduct and Ethics and Corporate Governance Guidelines

The Company and Barings are subject to Barings LLC's Global Code of Ethics Policy, and the Company has adopted a set of corporate governance guidelines covering ethics and business conduct. These documents apply to the Company's directors and officers, among other Barings employees. Barings LLC's Global Code of Ethics Policy and the Company's corporate governance guidelines are available on the Investor Relations section of the Company's website at <https://ir.barings.com/governance-docs>. Any material amendments to or waivers of a required provision of the Barings LLC Global Code of Ethics Policy and/or the Company's corporate governance guidelines will be reported on our website and/or in a Current Report on Form 8-K within four business days of the amendment or waiver.

Under Barings LLC's Global Code of Ethics Policy, officers, directors and certain employees of Barings must first obtain pre-clearance from Barings' compliance department before trading in the Company's securities. In addition, the Company's Insider Trading Policy includes restrictions that prohibit directors and officers of the Company from, among other things, engaging in short sales or hedging transactions with respect to the Company's securities, including through the use of financial instruments such as prepaid variable forward contracts, equity swaps, collars and exchange funds.

EXECUTIVE OFFICERS

The Company's officers serve at the discretion of the Board of Directors. The biographical information of each of the Company's executive officers (in alphabetical order) who is not a director, as well as the Company's Secretary, who is not an executive officer of the Company, is as follows:

Jonathan Bock, 39, is the Company's Chief Financial Officer and a Managing Director in Barings LLC's Global Private Finance Group. Mr. Bock also serves as the Chief Financial Officer of BCIC, Barings Corporate Investors and Barings Participation Investors. Prior to joining Barings LLC in 2018, Mr. Bock was a Managing Director and Senior Equity Analyst at Wells Fargo Securities specializing in business development companies ("BDCs"). He has actively followed the BDC space since 2006 and was the chief author of a leading BDC quarterly research publication: the BDC Scorecard. His research is often cited by The Wall Street Journal, Barron's, and other prominent financial publications. Prior to Wells Fargo, Mr. Bock followed the specialty finance space at Stifel Nicolaus & Company and A.G. Edwards Inc. Prior to entering sell-side research in 2006, Mr. Bock was an equity portfolio manager/analyst at Busey Wealth Management in Champaign, Illinois. Mr. Bock holds a BS in finance from the University of Illinois College of Business and is a CFA charterholder.

Michael Cowart, 38, serves as the Company's Chief Compliance Officer. He also serves as the Chief Compliance Officer for BCIC, Barings Global Short Duration High Yield Fund, Barings Funds Trust, Barings Securities LLC, Barings Corporate Investors and Barings Participation Investors. Mr. Cowart is a member of Barings' Compliance Group for which he is responsible for Barings' Sales Practices, Fund Compliance, and Regulatory Change Management Program. Prior to joining Barings in 2018, Mr. Cowart held positions in the compliance and legal departments at LPL Financial, the Municipal Securities Rulemaking Board and Goldman Sachs & Co. where his duties included overseeing regulatory inquiries and examinations, overseeing trading, professional qualifications, risk management and assessment, the development and implementation of policies and regulatory rulemaking. Mr. Cowart holds a B.A. in History with honors from the University of Tennessee, a Masters from Vanderbilt University, a J.D. from Elon University School of Law, and an LL.M. in Securities and Financial Regulation from Georgetown University Law Center.

Jill Dinerman, 44, is the Company's Chief Legal Officer and the Global Head of Legal at Barings LLC. She has also served as the Chief Legal Officer of BCIC since its inception. Ms. Dinerman oversees the global legal function advising Barings LLC on a wide range of legal and business issues and providing support for all of its investment teams. Ms. Dinerman is a member of Barings LLC's Senior Leadership Team. Ms. Dinerman has been a member of the Barings LLC legal team since 2011, holding several roles in corporate governance and supporting the U.S. Fixed Income team. Before joining Barings LLC in 2011, she was a Senior Associate at Katten Munchin Rosenman. Ms. Dinerman started her career as an Associate at Pillsbury Winthrop. Ms. Dinerman holds a B.A. in Psychology from the University of Maryland and a J.D. from The George Washington University Law School. Active in the community, Ms. Dinerman has served on the boards of several local Jewish agencies and on the board of Girls on the Run Charlotte, a nonprofit that empowers young women so they can activate their limitless potential.

Ian Fowler, 56, is the Company's President and is Co-Head of Barings LLC's Global Private Finance Group, as well as a member of the group's North American, European and Asia-Pacific Private Finance Investment Committees. Mr. Fowler has also served as the President and Chief Executive Officer of BCIC since its inception. He is responsible for leading a team that originates, underwrites and manages global private finance investments. Mr. Fowler has worked in the industry since 1988 and his experience has encompassed middle market commercial finance, including originating, underwriting and managing senior secured loans, mezzanine and co-investment transactions. Prior to joining Barings LLC in 2012, he was a Senior Managing Director with Harbour Group and co-founded Freeport Financial LLC where he was a member of the Executive Credit Committee and responsible for all business development and capital market initiatives. While at Freeport, he helped build the company into one of the top five non-bank affiliated middle market sponsor finance companies in the United States. Before Freeport, Mr. Fowler was Managing Director and Global Group Leader for GE Capital's Global Sponsor Finance Group. Prior to GE Capital, Mr. Fowler held various leveraged finance and investment positions with NationsBank and Mellon Bank. Mr. Fowler holds a B.A. (Honors) from the University of Western Ontario and is a member of the CFA Institute.

Elizabeth Murray, 43, serves as the Company's Principal Accounting Officer and serves as the Principal Accounting Officer of BCIC, Barings Corporate Investors and Barings Participation Investors. She also serves as the Treasurer for Barings Global Short Duration High Yield Fund and Barings Funds Trust. Ms. Murray previously was the Director of External Reporting for the Company and previously served as the Vice President of Financial Reporting at Triangle Capital Corporation prior to the externalization of the investment management of the Company to Barings LLC. Prior to joining Triangle Capital Corporation in 2012, she worked in Financial Planning and Analysis for RBC Bank, the U.S. retail banking division for Royal Bank of Canada. Prior to RBC Bank, Ms. Murray spent seven years at Progress Energy, Inc. and held various positions in finance, accounting and tax, most recently in Strategy and Financial Planning. Ms. Murray began her career as a Tax Consultant with PricewaterhouseCoopers. Ms. Murray is a graduate of North Carolina State University where she obtained a B.S. degree in Accounting and a Master of Accounting degree. She is also a North Carolina Certified Public Accountant.

Ashlee Steinnerd, 39, is the Company's Secretary and a Director at Barings LLC. Ms. Steinnerd has also served as Secretary of BCIC since its inception and as the Secretary of Barings Corporate Investors and Barings Participation Investors since 2020. Ms. Steinnerd has been a member of the Barings LLC legal team since 2019, advising Barings LLC on a variety of regulatory issues. Prior to joining Barings LLC, Ms. Steinnerd was Senior Counsel in the Securities and Exchange Commission's Office of the Investor Advocate. Ms. Steinnerd held several roles during her tenure at the Securities and Exchange Commission between 2011 and 2019. Ms. Steinnerd holds a B.S. in Applied International Finance and Applied International Economics from the American University of Paris, France and a J.D. from Rutgers School of Law.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information with respect to the beneficial ownership of the Company's common stock as of March 12, 2021, the record date, by the Company's directors and executive officers, both individually and as a group, and by each person known to the Company to beneficially own 5% or more of the outstanding shares of the Company's common stock. With respect to persons known to the Company to beneficially own 5% or more of the outstanding shares of the Company's common stock, the Company bases such knowledge on beneficial ownership filings made by the holders with the SEC and other information known to the Company. Other than as set forth in the table below, none of the Company's directors or executive officers are deemed to beneficially own shares of the Company's common stock. Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to the securities. There is no common stock subject to options or warrants that are currently exercisable or exercisable within 60 days of March 12, 2021. Percentage of beneficial ownership is based on 65,316,085 shares of common stock outstanding as of March 12, 2021. Unless otherwise indicated by footnote, the business address of each person listed below is 300 South Tryon Street, Suite 2500, Charlotte, North Carolina 28202.

Name of Beneficial Owner	Number of Shares Beneficially Owned(1)	Percentage of Class(2)	Dollar Range of Equity Securities Beneficially Owned(3)

All directors and executive officers as a group	507,199	*	over \$100,000
Five-Percent Stockholders:			
Barings LLC	13,639,681	20.9 %	over \$100,000

* Less than 1.0%

- (1) Beneficial ownership in this column has been determined in accordance with Rule 13d-3 of the Exchange Act. Except as otherwise noted, each beneficial owner of more than five percent of the Company's common stock and each director and executive officer has sole voting and/or investment power over the shares reported.
- (2) Based on a total of 65,316,085 shares issued and outstanding as of March 12, 2021.
- (3) Beneficial ownership in this column has been determined in accordance with Rule 16a-1(a)(2) of the Exchange Act. The dollar range of equity securities beneficially owned is based on a stock price of \$10.05 per share as of March 12, 2021. Dollar ranges are as follows: None, \$1 — \$10,000, \$10,001 — \$50,000, \$50,001 — \$100,000, or over \$100,000.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Related Party Transactions Policy and Procedure

The Company has procedures in place for the review, approval and monitoring of transactions involving the Company and certain persons related to it. For example, the Company has a code of conduct that generally prohibits any employee, officer or director of the Company from engaging in any transaction where there is a conflict between such individual's personal interest and the interests of the Company. Waivers to the code of conduct can generally only be obtained from the Chief Compliance Officer, a majority of the Board of Directors or the chairperson of the Audit Committee and are publicly disclosed as required by applicable law and regulations. In addition, the Audit Committee is required to review and approve all related-party transactions (as defined in Item 404 of Regulation S-K).

As a BDC, the Company is also subject to certain regulatory requirements that restrict the Company's ability to engage in certain related-party transactions. The Company has separate policies and procedures that have been adopted to ensure that it does not enter into any such prohibited transactions without seeking necessary approvals, including prohibited transactions under the 1940 Act.

BDCs generally are prohibited under the 1940 Act from knowingly participating in certain transactions with their affiliates without the prior approval of their independent directors and, in some cases, of the U.S. Securities and Exchange Commission (the "SEC"). Those transactions include purchases and sales, and so-called "joint" transactions, in which a BDC and one or more of its affiliates engage in certain types of profit-making activities. Any person that owns, directly or indirectly, 5.0% or more of a BDC's outstanding voting securities will be considered an affiliate of the BDC for purposes of the 1940 Act, and a BDC generally is prohibited from engaging in purchases or sales of assets or joint transactions with such affiliates, absent the prior approval of the BDC's independent directors. Additionally, without the approval of the SEC, a BDC is prohibited from engaging in purchases or sales of assets or joint transactions with the BDC's officers and directors, and investment adviser, including funds managed by the investment adviser and its affiliates.

BDCs may, however, invest alongside certain related parties or their respective other clients in certain circumstances where doing so is consistent with current law and SEC staff interpretations. For example, a BDC may invest alongside such accounts consistent with guidance promulgated by the SEC staff permitting the BDC and such other accounts to purchase interests in a single class of privately placed securities so long as certain conditions are met, including that the BDC's investment adviser, acting on the BDC's behalf and on behalf of other clients, negotiates no term other than price. Co-investment with such other accounts is not permitted or appropriate under this guidance when there is an opportunity to invest in different securities of the same issuer or where the different investments could be expected to result in a conflict between the BDC's interests and those of other accounts.

The 1940 Act generally prohibits BDCs from making certain negotiated co-investments with certain affiliates absent an order from the SEC permitting the BDC to do so. Pursuant to Barings' existing SEC co-investment exemptive relief under the 1940 Act (the "Exemptive Relief"), the Company is generally permitted to co-invest with funds affiliated with Barings if a "required majority" (as defined in Section 57(o) of the 1940 Act) of the Company's independent directors make certain conclusions in connection with a co-investment transaction, including that (1) the terms of the transaction, including the consideration to be paid, are reasonable and fair to the Company and its stockholders and do not involve overreaching in respect of the Company or its stockholders on the part of any person concerned and (2) the transaction is consistent with the interests of the Company's stockholders and is consistent with the Company's investment objective and strategies. Co-investments made under the Exemptive Relief are subject to compliance with the conditions and other requirements contained in the Exemptive Relief, which could limit the Company's ability to participate in a co-investment transaction.

The Company's executive officers and the members of Barings' investment committee, as well as the other principals of Barings, manage other funds affiliated with Barings, including BCIC and other closed-end investment companies. In addition, Barings' investment team has responsibilities for managing U.S. and global middle-market debt investments for certain other investment funds and accounts. Accordingly, they have obligations to investors in those entities, the fulfillment of which may not be in the best interests of, or may be adverse to the interests of, the Company or its stockholders. In addition, certain of the other funds and accounts managed by Barings may provide

for higher management or incentive fees, greater expense reimbursements or overhead allocations, or permit Barings and its affiliates to receive higher origination and other transaction fees, all of which may contribute to this conflict of interest and create an incentive for Barings to favor such other funds or accounts. Although the professional staff of Barings will devote as much time to the Company's management as appropriate to enable Barings to perform its duties in accordance with the Advisory Agreement, the investment professionals of Barings may have conflicts in allocating their time and services among the Company, on the one hand, and the other investment vehicles managed by Barings or one or more of its affiliates on the other hand.

Barings may face conflicts in allocating investment opportunities between the Company and affiliated investment vehicles that have overlapping investment objectives with ours, including BCIC. In addition, the Company may not be made aware of and/or be given the opportunity to participate in certain investments made by investment funds which are managed by advisers affiliated with Barings and do not participate in the co-investment program described in the Exemptive Relief. In situations where co-investment with other affiliated funds or accounts is not permitted or appropriate, Barings will need to decide which account will proceed with the investment in accordance with its allocation policies and procedures. Although Barings will endeavor to allocate investment opportunities in a fair and equitable manner in accordance with its allocation policies and procedures, it is possible that, in the future, the Company may not be given the opportunity to participate in investments made by investment funds managed by Barings or an investment manager affiliated with Barings if such investment is prohibited by the Exemptive Relief or the 1940 Act. These restrictions, and similar restrictions that limit the Company's ability to transact business with its officers or directors or their affiliates, including funds managed by Barings, may limit the scope of investment opportunities that would otherwise be available to the Company.

Advisory Agreement

The Company is party to the Advisory Agreement with Barings, in which certain directors and officers of the Company and members of Barings' investment committee may have indirect ownership and pecuniary interests. For the year ended December 31, 2020, the base management fee determined in accordance with the terms of the Advisory Agreement was approximately \$14.3 million.

Administration Agreement

Pursuant to the terms of the Administration Agreement between Barings and the Company, Barings provides the Company with certain administrative and other services necessary to conduct the Company's day-to-day operations. The Company reimburses Barings, in its capacity as administrator, for the costs and expenses incurred and billed to the Company by Barings in performing its obligations and providing personnel and facilities under the Administration Agreement, or such lesser amount as may be agreed to by the Company and Barings from time to time. If the Company and Barings agree to a reimbursement amount for any period which is less than the full amount otherwise permitted under the Administration Agreement, then Barings will not be entitled to recoup any difference thereof in any subsequent period or otherwise. See "Compensation Discussion" above for more information. For the fiscal year ended December 31, 2020, the Company incurred and was invoiced by Barings for expenses of approximately \$1.6 million under the terms of the Administration Agreement.

Barings Credit Support Agreement

In connection with the Company's merger with MVC Capital, Inc., the Company entered into a Credit Support Agreement (the "Credit Support Agreement") with Barings, pursuant to which Barings has agreed to provide credit support to the Company in the amount of up to \$23.0 million relating to the net cumulative realized and unrealized losses on the acquired MVC Capital, Inc. investment portfolio over a 10-year period. The Credit Support Agreement is intended to give stockholders of the combined company downside protection from net cumulative realized and unrealized losses on the acquired MVC portfolio and insulate the combined company's stockholders from potential value volatility and losses in MVC Capital, Inc.'s portfolio following the closing of the merger. There is no fee or other payment by the Company to Barings or any of its affiliates in connection with the Credit Support Agreement. Any cash payment from Barings to the Company under the Credit Support Agreement will be excluded from the incentive fee calculations under the Advisory Agreement.

MassMutual Note Purchase Agreement

On August 3, 2020, the Company entered into a Note Purchase Agreement (the “August 2020 NPA”) with Massachusetts Mutual Life Insurance Company, which wholly-owns Barings, governing the issuance of (1) \$50.0 million in aggregate principal amount of Series A senior unsecured notes due August 2025 (the “Series A Notes due 2025”) with a fixed interest rate of 4.66% per year, and (2) up to \$50.0 million in aggregate principal amount of additional senior unsecured notes due August 2025 with a fixed interest rate per year to be determined (the “Additional Notes” and, collectively with the Series A Notes due 2025, the “August 2025 Notes”), in each case, to qualified institutional investors in a private placement. The Company issued an aggregate principal amount of \$25.0 million of the Series A Notes due 2025 on September 24, 2020 and an aggregate principal amount of \$25.0 million of the Series A Notes due 2025 on September 29, 2020, both of which will mature on August 4, 2025 unless redeemed, purchased or prepaid prior to such date in accordance with their terms. Interest on the August 2025 Notes is due semiannually in March and September of each year, beginning in March 2021. The August 2025 Notes are guaranteed by certain of the Company’s subsidiaries, and are the Company’s general unsecured obligations that rank pari passu with all outstanding and future unsecured unsubordinated indebtedness issued by the Company. Upon the occurrence of an event of default, the holders of at least 66-2/3% in principal amount of the August 2025 Notes at the time outstanding may declare all August 2025 Notes then outstanding to be immediately due and payable.

On November 4, 2020, the Company amended the August 2020 NPA to reduce the aggregate principal amount of unissued Additional Notes from \$50.0 million to \$25.0 million.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee and Board of Directors, including a majority of the independent directors, have selected KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2021. KPMG LLP also will serve as the independent auditors for all of the Company's wholly-owned subsidiaries and its joint venture, Jocassee Partners LLC.

On June 3, 2020, Ernst & Young LLP ("E&Y") resigned as the Company's independent registered public accounting firm, and the Audit Committee accepted the resignation of E&Y effective as of that date. The reports of E&Y on the Company's consolidated financial statements as of and for the fiscal years ended December 31, 2019 and 2018 did not contain an adverse opinion or a disclaimer of opinion, and they were not qualified or modified as to uncertainty, audit scope, or accounting principles.

During the fiscal years ended December 31, 2019 and 2018 and through June 3, 2020, there were (i) no disagreements with E&Y on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure that, if not resolved to the satisfaction of E&Y, would have caused E&Y to make reference to the subject matter of the disagreement in connection with its reports, and (ii) no "reportable events" requiring disclosure pursuant to Item 304(a)(1)(v) of Regulation S-K.

On June 3, 2020, the Audit Committee approved the engagement of KPMG LLP to serve as the Company's registered public accounting firm, effective as of June 3, 2020, for the fiscal year ended December 31, 2020 (the "2020 Audit Period"). During the fiscal years ended December 31, 2019 and 2018 and through June 3, 2020, neither the Company nor anyone on its behalf consulted KPMG LLP regarding either: (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, and no written report or oral advice was provided to the Company that KPMG LLP concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was the subject of a "disagreement" (as defined in Item 304(a)(1)(iv) of Regulation S-K) or a "reportable event" (as defined in Item 304(a)(1)(v) of Regulation S-K).

Prior to the Audit Committee's engagement of KPMG LLP to serve as the Company's registered public accounting firm for the 2020 Audit Period, KPMG LLP conducted an independence assessment with respect to the engagement with the Company as an audit client for such audit period. During the independence assessment, KPMG LLP noted that the then-current Chair of the Audit Committee (the "Former Partner") previously served as an office Managing Partner at KPMG LLP until his retirement in 2016. While a partner at KPMG LLP, the Former Partner did not provide any audit, tax or advisory services to the Company or any other affiliate of Barings LLC. However, the Former Partner did maintain an interest in, and received payments under, certain of KPMG LLPs unfunded retirement plans, including during the 2020 Audit Period.

Under SEC Regulation S-X, Rule 2-01(c)(2)(iii), in part, an accountant is not independent if, at any point during the audit and professional engagement period, the accountant has an employment relationship with an audit client, such as a former partner in a financial reporting oversight role at an audit client, unless the individual has no financial arrangement with the accounting firm other than one pursuant to a fully funded retirement plan, rabbi trust, or similar vehicle. KPMG LLP was not independent as required under the above-mentioned rule because the Former Partner maintained an interest in, and received payments under, the above-described unfunded retirement plans during the 2020 Audit Period. However, prior to being engaged to perform its audit in accordance with the standards of the Public Company Accounting Oversight Board, KPMG LLP severed its financial arrangement with the Former Partner by fully funding its unfunded retirement plans' obligations to the Former Partner in a rabbi trust. The aggregate amounts due from KPMG LLP to the Former Partner under the retirement plans were not individually material to either the Company or to KPMG LLP.

In addition, (1) the Former Partner was not involved in any activities, including but not limited to discussing and determining the fair value of the Company's portfolio securities, that placed him in a position to exercise influence over the contents of any of the Company's financial statements for periods during the 2020 Audit Period; (2) the Former Partner did not participate in any discussions with KPMG LLP regarding the Company's engagement of KPMG LLP to serve as the Company's auditor for the 2020 Audit Period and was neither involved in nor had influence over the Audit Committee's independent auditor retention and oversight responsibilities with respect to KPMG LLP's

engagement for the 2020 Audit Period; (3) prior to KPMG LLP's engagement to provide audit services to the Company for the 2020 Audit Period, the Former Partner resigned from his positions as a member and the Chair of the Audit Committee (and the Company appointed a new chair of the Audit Committee who meets the independence requirements of Rule 10A-3 under the Exchange Act and who was determined to be an "audit committee financial expert" under Item 407(d)(5) of Regulation S-K) and, as such, the Former Partner (a) did not have any decision-making authority in respect of, or influence over, the Audit Committee's independent auditor retention and oversight responsibilities with respect to KPMG LLP's engagement for the 2020 Audit Period, and (b) was not involved in any Audit Committee activities, including but not limited to discussing and determining the fair value of the Company's portfolio securities, that placed him in a position to exercise influence over the contents of any of the Company's financial statements for periods during the 2020 Audit Period. While the Former Partner continued to serve on the Board during the 2020 Audit Period, in order to fully implement the above measures, the Former Partner did not participate in Board discussions and approvals relating to (i) the Company's financial statements for periods during the 2020 Audit Period, including with respect to the determination of the fair value of the Company's portfolio securities, and (ii) matters regarding auditor retention and oversight responsibilities with respect to KPMG LLP's engagement for the 2020 Audit Period. In addition, KPMG LLP's engagement team did not have any interaction with the Former Partner as it relates to the Company's financial statements for the 2020 Audit Period. Furthermore, the KPMG LLP partners on the Company's audit team for the 2020 Audit Period were staffed out of offices other than the KPMG LLP office at which the Former Partner served as a Managing Partner, none of the KPMG LLP partners assigned to lead and manage the Company's audit for the 2020 Audit Period were supervised by the Former Partner, and the lead audit engagement partner from KPMG LLP never met, or had any relationship with, the Former Partner prior to KPMG LLP's engagement.

KPMG LLP considered specifically the facts and circumstances above, among others, and concluded that it was capable of exercising objective and impartial judgment on all issues encompassed within KPMG LLP's engagement with the Company as an audit client for the 2020 Audit Period. After taking into consideration the facts and circumstances stated above and KPMG LLP's determination, the Audit Committee concluded that KPMG LLP's objectivity and ability to exercise impartial judgment had not been impaired and, as a result, approved the engagement of KPMG LLP to serve as the Company's registered public accounting firm for the 2020 Audit Period, as noted above.

In connection with its appointment as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2021, KPMG LLP has advised the Company that neither the firm nor any present member or associate of it has any material financial interest, direct or indirect, in the Company or its affiliates and that KPMG LLP is capable of exercising objective and impartial judgment on all issues encompassed within its engagement with the Company as an audit client for the fiscal year ending December 31, 2021. It is expected that a representative of KPMG LLP will be present at the Annual Meeting and will have an opportunity to make a statement if he or she chooses and will be available to answer questions.

The Company previously disclosed the above-described change in independent registered public accounting firms in the Company's Current Report on Form 8-K filed with the SEC on June 3, 2020 (the "Form 8-K"). As disclosed in the Form 8-K, the Company requested that E&Y furnish the Company with a letter addressed to the SEC stating whether E&Y agrees with the statements contained in the Form 8-K as they relate to E&Y. A copy of E&Y's letter, dated June 3, 2020, was filed as an exhibit to the Form 8-K.

Independent Registered Public Accounting Firms' Fees

Fees Paid to Independent Registered Public Accounting Firm

The following table provides information regarding the fees billed by KPMG LLP for work performed for the fiscal year ended December 31, 2020 or attributable to the audit of the Company's 2020 financial statements, including out-of-pocket expenses:

	Fiscal Year Ended December 31, 2020	
Audit Fees	\$	732,400
Audit Related Fees		325,351 (1)
Tax Fees		62,575 (2)
Other Fees		—
TOTAL FEES	\$	1,120,326

(1) Includes fees of \$325,351 related to accounting and auditing matters associated with the MVC Capital, Inc. merger.

(2) Includes fees of \$62,575 related to tax fees associated with the MVC Capital, Inc. merger

During the fiscal years ended December 31, 2019 and December 31, 2020, KPMG LLP billed aggregate non-audit fees of \$105,719 (related to Barings LLC) and \$98,044 (comprised of \$35,469 related to Barings LLC and \$62,575 related to Barings BDC, Inc.), respectively, for services rendered to the Company and for services rendered to Barings LLC.

Fees Paid to Prior Independent Registered Public Accounting Firm

The following table provides information regarding the fees billed by E&Y for work performed for the fiscal year ended December 31, 2019 or attributable to the audit of the Company's 2019 financial statements, inclusive of out-of-pocket expenses:

	Fiscal Year Ended December 31, 2019	
Audit Fees	\$	751,562
Audit Related Fees		14,000
Tax Fees		54,500
Other Fees		—
TOTAL FEES	\$	820,062

Audit Fees. Audit fees include fees for services that normally would be provided by the accountant in connection with statutory and regulatory filings or engagements and that generally only the independent accountant can provide. In addition to fees for the audit of the Company's annual financial statements, the audit of the effectiveness of the Company's internal control over financial reporting and the review of the Company's quarterly financial statements in accordance with generally accepted auditing standards, this category contains fees for comfort letters, statutory audits, consents, and assistance with and review of documents filed with the SEC.

Audit Related Fees. Audit related fees are assurance related services that traditionally are performed by the independent accountant, such as attest services that are not required by statute or regulation.

Tax Fees. Tax fees include corporate and subsidiary compliance and consulting.

All Other Fees. Fees for other services would include fees for products and services other than the services reported above, including any non-audit fees.

Pre-Approval Policies and Procedures

The Audit Committee has established, and the Board of Directors has approved, a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by the Company's independent registered accounting firm. The policy requires that the Audit Committee pre-approve the audit and non-audit services performed by the independent registered accounting firm in order to assure that the provision of such service does not impair the firm's independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at a subsequent meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered accounting firm to management. During 2019 and 2020, 100% of the Company's audit fees, audit-related fees, tax fees and fees for other services provided by the Company's independent registered public accounting firm were pre-approved by the Audit Committee.

AUDIT COMMITTEE REPORT

The Audit Committee assists the Board of Directors in its oversight of the Company's financial reporting process and implementation and maintenance of effective controls to prevent, deter and detect fraud by management. In addition, the Audit Committee is directly responsible for the appointment, compensation and oversight of the Company's independent registered public accounting firm. Each of the members of the Audit Committee qualifies as an "independent" director in accordance with NYSE listing standards, SEC rules and the Company's corporate governance guidelines.

In overseeing the preparation of the Company's financial statements, the Audit Committee met with both management and KPMG LLP, the Company's independent registered public accounting firm for the fiscal year ended December 31, 2020, to review and discuss the audited financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Audit Committee that all financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee discussed the financial statements with both management and KPMG LLP.

The Audit Committee also is responsible for assisting the Board of Directors in the oversight of the qualification, independence and performance of the Company's independent auditor. In connection with the audit of the Company's financial statements for the fiscal year ended December 31, 2020, the Audit Committee regularly met in separate, executive sessions with certain members of senior management and KPMG LLP. The Audit Committee has discussed with KPMG LLP the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board, or PCAOB, and the SEC. The Audit Committee has received from KPMG LLP the written disclosures and the letter required by applicable requirements of the PCAOB regarding KPMG LLP's communications with the Audit Committee concerning independence and has discussed with KPMG LLP its independence. In addition, the Audit Committee has considered whether the provision of non-audit services, and the fees charged for such services, by KPMG LLP are compatible with KPMG LLP maintaining its independence from the Company.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Company's Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2020. In addition, the Audit Committee has selected, and recommended to the Board of Directors that it approve the appointment of KPMG LLP as the Company's independent registered public accounting firm for the year ending December 31, 2021.

THE AUDIT COMMITTEE¹

Mark F. Mulhern, Chair

Thomas W. Okel

Robert Knapp

Jill Olmstead

The foregoing report shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act, except to the extent that the Company specifically incorporates this Audit Committee report by reference, and shall not otherwise be deemed filed under such Securities Act and/or Exchange Act.

¹ Reflects the membership of the Audit Committee as of the date of the Audit Committee's recommendations and approval referenced in this Audit Committee report.

PROPOSAL NO. 2

APPROVAL TO SELL SHARES OF COMMON STOCK BELOW NET ASSET VALUE (BOOK VALUE)

The Company is a closed-end investment company that has elected to be treated as a BDC under the 1940 Act. The 1940 Act generally prohibits the Company, as a BDC, from issuing and selling shares of its common stock at a price below the then-current net asset value (i.e., book value) per share of such stock, with certain exceptions. One such exception would permit the Company to issue and sell shares of its common stock at a price below net asset value per share at the time of sale if the Company's stockholders have approved a sale below net asset value per share within the one-year period immediately prior to any such sale, provided that the Board of Directors also makes certain determinations prior to any such sale.

Pursuant to this provision, the Company is seeking the approval of its stockholders so that it may, in one or more public or private offerings of its common stock, issue and sell shares of its common stock at a price below its then-current net asset value per share in one or more offerings, subject to certain conditions discussed below. It should be noted that the maximum number of shares that the Company could issue and sell at a per share price below net asset value per share pursuant to this authority would be limited to 30% of its then-outstanding common stock. If approved, the authorization would be effective for a period expiring on the first anniversary of the date of the stockholders' approval of this proposal and would permit the Company to engage in such transactions at various times within that period, subject to further approval from the Board of Directors.

Generally, equity securities sold in public securities offerings are priced based on public market prices quoted on exchanges such as NYSE, rather than net asset value, or book value, per share. Since the Company's IPO, the Company's common stock has traded both above and below its net asset value per share. At each of the Company's Annual Meetings of Stockholders from 2008 to 2017, and at its 2020 Annual Meeting of Stockholders, the Company requested and received approval from its stockholders to sell its stock at a price per share below net asset value under certain circumstances. As in such prior years, the Company is seeking the approval of a majority of its stockholders of record to offer and sell shares of its common stock at prices that, net of underwriting discount or commissions, may be less than net asset value per share in one or more offerings. This stockholder approval would permit the Company to issue and sell shares of its common stock in accordance with pricing standards that market conditions generally require, and would also assure stockholders that the number of shares issued and sold pursuant to such authority does not exceed 30% of the Company's then-outstanding common stock immediately prior to each such offering. If stockholders approve this proposal, the Company should have greater flexibility in taking advantage of changing market and financial conditions in connection with an equity offering. Of the Company's ten underwritten follow-on equity offerings completed since its IPO, only two were priced below the then-current net asset value per share (both during 2009).

Reasons to Offer Common Stock Below Net Asset Value

Market Conditions Have Created, and May in the Future Create, Attractive Investment and Acquisition Opportunities

From time to time, capital markets may experience periods of disruption and instability. For example, between 2008 and 2009, the global capital markets were unstable as evidenced by periodic disruptions in liquidity in the debt capital markets, significant write-offs in the financial services sector, the re-pricing of credit risk in the broadly syndicated credit market and the failure of major financial institutions. Despite actions of the U.S. federal government and foreign governments, these events contributed to worsening general economic conditions that materially and adversely impacted the broader financial and credit markets and reduced the availability of debt and equity capital for the market as a whole and financial services firms in particular. As a result of the disruption and volatility in the credit markets during this time, the Company saw a reduction in capital available to certain specialty finance companies and other capital providers, causing a reduction in competition. These conditions also coincided with lower stock prices for BDCs, with BDCs trading below net asset value. The Company believes that favorable investment opportunities to invest at attractive risk-adjusted returns, including opportunities to make acquisitions of other companies or investment portfolios at attractive values, may be created during these periods of disruption and volatility.

While market conditions have largely recovered from the events of 2008 and 2009, there have been continuing periods of volatility, some lasting longer than others, including recently as a result of the effects of the global COVID-19 pandemic. Since the Company's IPO in 2007, the Company's common stock has traded both at a premium and at a discount in relation to its net asset value, which is the equivalent of "book value," rather than market or publicly-traded value. As of the record date of March 12, 2021, the Company's common stock traded at a discount to net asset value per share. The possibility that shares of the Company's common stock will continue to trade at a discount from net asset value or trade at premiums that are unsustainable over the long-term are separate and distinct from the risk that the Company's net asset value will decrease. It is not possible to predict whether any shares of the Company's common stock issued in the future will trade at, above, or below net asset value.

Since the 2008 recession, lingering economic conditions in the U.S. credit markets from periods of contraction or recession have contributed to significant stock price volatility for capital providers such as the Company and have made access to capital more challenging for many smaller businesses. However, these changes in the credit market conditions also have beneficial effects for capital providers like the Company because small business are selling for lower prices, are generally willing to pay higher interest rates and are generally willing to accept contractual terms that are more favorable to the Company in their investment agreements. Accordingly, for firms that continue to have access to capital, the Company believes that a challenging economic environment could provide investment opportunities on more favorable terms than have been available in recent periods. In addition, in light of the fact that any debt capital that may be available, may be at a higher cost and on less favorable terms and conditions than in past periods, the Company's ability to take advantage of these opportunities may be largely dependent upon its access to equity capital.

Stockholder approval of the proposal to sell shares of the Company's common stock at a price below its then-current net asset value per share, subject to the conditions set forth in this proposal, would provide the Company with the flexibility to invest in such attractive investment opportunities, which typically need to be made expeditiously.

Trading History

The following table, reflecting the public trading history of our common stock since January 1, 2018, lists the high and low closing sales prices for our common stock, and such closing sales prices as percentages of the net asset values per share for the relevant periods. On March 12, 2021, the record date, the last reported closing sale price of our common stock on the NYSE was \$10.05. Net asset value per share in the table below is determined as of the last day in the relevant quarter and therefore may not reflect the net asset value per share on the date of the high and low closing sales prices. The net asset values shown are based on outstanding shares at the end of each period.

	Net Asset Value	Closing Sales Price		Premium (Discount) of High Closing Sales Price to Net Asset Value	Premium (Discount) of Low Closing Sales Price to Net Asset Value
		High	Low		
Year ended December 31, 2018					
First Quarter.....	\$ 13.36	\$ 12.08	\$ 9.41	(9.6)%	(29.6)%

Greater Investment Opportunities Due to Larger Capital Resources

The additional capital raised through an offering of the Company's common stock may help the Company generate additional deal flow. With more capital to make investments, the Company could be a more meaningful capital provider and such additional capital would allow it to compete more effectively for high quality investment opportunities. Such investment opportunities may be funded with proceeds of an offering of shares of the Company's common stock.

Status as a BDC and RIC and Maintaining a Favorable Debt-to-Equity Ratio

As a BDC and a regulated investment company, or RIC, for tax purposes, the Company is dependent on its ability to raise capital through the issuance of its common stock. RICs generally must distribute substantially all of their earnings to stockholders as dividends in order to achieve pass-through tax treatment, which prevents the Company from retaining any meaningful amount of earnings to support operations, which may include making new investments (including investments in existing portfolio companies). Further, under the 1940 Act, the Company must meet a debt-to equity ratio of less than approximately 2:1 in order to incur debt or issue senior securities. Therefore, to continue to build the Company's investment portfolio, the Company endeavors to maintain consistent access to capital through the public and private debt markets and the public equity markets enabling it to take advantage of investment opportunities as they arise.

Exceeding the approximate 2:1 debt-to-equity ratio could have severe negative consequences for a BDC, including the inability to pay dividends, breach of applicable debt covenants and failure to qualify for tax treatment as a RIC. Although the Company does not currently expect that it will exceed this debt-to-equity ratio, the markets it operates in and the general economy may be volatile and uncertain. Even though the underlying performance of a particular portfolio company may not indicate an impairment or its inability to repay all principal and interest in full, volatility in the capital markets may negatively impact the valuations of investments and create unrealized losses on certain investments. Any such write-downs in value, as well as unrealized losses based on the underlying performance of the Company's portfolio companies, if any, will negatively impact stockholders' equity and the resulting debt-to-equity ratio. Issuing additional equity would allow the Company to realign its debt-to-equity ratio and take steps to avoid these negative consequences. In addition to meeting legal requirements applicable to BDCs, having a more favorable debt-to-equity ratio would also generally strengthen the Company's balance sheet and give it more flexibility to fully execute its business strategy.

Summary

The Board of Directors believes it is desirable to have the flexibility to issue shares of the Company's common stock at a price below the Company's then-current net asset value per share in certain instances when it is in the best interests of the Company and its stockholders. This would, among other things, provide access to capital markets to pursue attractive investment and acquisition opportunities during periods of volatility, improve capital resources to enable the Company to compete more effectively for high quality investment opportunities and add financial flexibility to comply with regulatory requirements and any applicable debt facility covenants, including the 2:1 debt-to-equity ratio limit under the 1940 Act. It could also minimize the likelihood that the Company would be required to sell assets that the Company would not otherwise sell, which sales could occur at times and at prices that are disadvantageous to the Company.

The final terms of any sale of the Company's common stock at a price below the then-current net asset value per share will be determined by the Board of Directors in connection with such issuance, and the shares of common stock will not include preemptive rights. Any transaction in which the Company issues such shares of common stock, including the nature and amount of consideration that would be received by the Company at the time of issuance and the use of any proceeds therefrom, will be reviewed and approved by the Board of Directors at the time of issuance. If this proposal is approved, no further authorization from the stockholders will be solicited prior to any such issuance in accordance with the terms of this proposal. If approved, the authorization would be effective for a period expiring on the first anniversary of the date of the stockholders' approval of this proposal and would permit the Company to engage in such transactions at various times within that period, subject to further approval from the Board of Directors.

Conditions to Sales Below Net Asset Value

Stockholder approval is a condition that must be satisfied prior to any sales of the Company's common stock at a price below the then-current net asset value per share, and the Company is seeking such approval in this proposal. If this proposal is approved by the Company's stockholders, the Company would not issue and sell its common stock at a price below its per share net asset value unless the number of shares issued and sold pursuant to such authority does not exceed 30% of the Company's then-outstanding common stock immediately prior to each such offering. To the extent the Company issues and sells shares of its common stock, regardless of the price at which such shares are sold, the Company's market capitalization and the amount of its publicly tradable common stock will increase, thus affording all common stockholders potentially greater liquidity in the market for the Company's shares.

In addition, if this proposal is approved, the Company will issue and sell shares of its common stock at a price below net asset value per share only if the following conditions are met:

- a majority of the Company's directors who have no financial interest in the issuance and sale and a majority of such directors who are not interested persons of the Company have determined that any such sale would be in the best interests of the Company and its stockholders; and
- a majority of the Company's directors who have no financial interest in the issuance and sale, and a majority of such directors who are not interested persons of the Company, in consultation with the underwriter or underwriters of the offering if it is to be underwritten, and as of a time immediately prior to the first solicitation by or on behalf of the Company of firm commitments to purchase such securities or immediately prior to the issuance of such securities, have determined in good faith that the price at which such securities are to be issued and sold is not less than a price which closely approximates the market value of those securities, less any distributing commission or discount.

In determining whether or not to sell additional shares of the Company's common stock at a price below the net asset value per share, the Board of Directors will be obligated to act in the best interests of the Company and its stockholders.

Key Stockholder Considerations

Before voting on this proposal or giving proxies with regard to this matter, stockholders should consider the dilutive effect on the net asset value per outstanding share of common stock of the issuance of shares of the Company's common stock at less than net asset value per share. Any sale of common stock at a price below net asset value would result in an immediate dilution to existing common stockholders. Since under this proposal shares of the Company's common stock could be issued at a price that is substantially below the net asset value per share, the dilution could be substantial. This dilution would include reduction in the net asset value per share as a result of the issuance of shares at a price below the net asset value per share and a proportionately greater decrease in a stockholder's interest in the earnings and assets of the Company and voting interest in the Company than the increase in the assets of the Company resulting from such issuance. If this Proposal No. 2 is approved, the Board of Directors of the Company may, consistent with its fiduciary duties, approve the sale of the Company's common stock at any discount to its then-current net asset value per share; however, the Board of Directors will consider the potential dilutive effect of the issuance of shares of common stock at a price below the net asset value per share when considering whether to authorize any such issuance and will act in the best interests of the Company and its stockholders in doing so. It should be noted that the maximum number of shares that the Company could issue and sell at a per share price below net asset value per share pursuant to this authority would be limited to 30% of the Company's then-outstanding common stock immediately prior to each such offering.

The 1940 Act establishes a connection between common share sale price and net asset value because, when shares of common stock are sold at a sale price below net asset value per share, the resulting increase in the number of outstanding shares is not accompanied by a proportionate increase in the net assets of the issuer. Further, if current stockholders of the Company do not purchase any shares to maintain their percentage interest, regardless of whether such offering is above or below the then-current net asset value, their voting power will be diluted. For an illustration of the potential dilutive effect of an offering of our common stock at a price below net asset value, please

see the table below under the heading “Examples of Dilutive Effect of the Issuance of Shares Below Net Asset Value.”

Finally, any sale of substantial amounts of the Company’s common stock or other securities in the open market may adversely affect the market price of the Company’s common stock and may adversely affect the Company’s ability to obtain future financing in the capital markets. In addition, future sales of the Company’s common stock to the public may create a potential market overhang, which is the existence of a large block of shares readily available for sale that could lead the market to discount the value of shares held by other investors. In the event the Company were to continue to sell its common stock at prices below net value for sustained periods of time, such offerings may result in sustained discounts in the marketplace.

Examples of Dilutive Effect of the Issuance of Shares Below Net Asset Value

The table on the following page illustrates the level of net asset value dilution that would be experienced by a nonparticipating stockholder in four different hypothetical offerings of different sizes and levels of discount from net asset value per share, although it is not possible to predict the level of market price decline that may occur. Actual sales prices and discounts may differ from the presentation below.

The examples assume that Company XYZ has 1,000,000 shares of common stock outstanding, \$15,000,000 in total assets and \$5,000,000 in total liabilities. The current net asset value and net asset value per share are thus \$10,000,000 and \$10.00. The table illustrates the dilutive effect on nonparticipating Stockholder A of (1) an offering of 50,000 shares (5% of the outstanding shares) at \$9.50 per share after offering expenses and commission (a 5% discount from net asset value), (2) an offering of 100,000 shares (10% of the outstanding shares) at \$9.00 per share after offering expenses and commissions (a 10% discount from net asset value), (3) an offering of 200,000 shares (20% of the outstanding shares) at \$8.00 per share after offering expenses and commissions (a 20% discount from net asset value) and (4) an offering of 250,000 shares (25% of the outstanding shares) at \$0.01 per share after offering expenses and commissions (a 100% discount from net asset value). Because we are not limited as to the amount of discount from net asset value at which we can offer shares, the fourth example on the following table (an offering at a price of \$0.01 per share) is included, however, the Company will not offer shares at a 100% discount to net asset value. “NAV” in the table below stands for “net asset value.”

Dilutive Effect of the Issuance of Shares by Company XYZ Below Net Asset Value

	Prior to Sale Below NAV	Example 1 5% Offering at 5% Discount		Example 2 10% Offering at 10% Discount		Example 3 20% Offering at 20% Discount		Example 4 25% Offering at 100% Discount

The Board of Directors recommends a vote “FOR” the proposal to authorize the Company, with the subsequent approval of its Board of Directors, to issue and sell shares of its common stock (during the 12 months following such authorization) at a price below its then-current net asset value per share in one or more offerings, subject to certain limitations set forth herein (including, without limitation, that the number of shares issued and sold pursuant to such authority does not exceed 30% of the Company’s then-outstanding common stock immediately prior to each such offering).

Required Vote.

Approval of this proposal requires the affirmative vote of each of the following: (1) a majority of the outstanding shares of the Company's common stock; and (2) a majority of the outstanding shares of the Company's common stock that are not held by affiliated persons of the Company. For purposes of this proposal, the 1940 Act defines a "majority of the outstanding shares" as the vote of the lesser of: (1) 67% or more of the voting securities of the Company present at the Annual Meeting if the holders of more than 50% of the outstanding voting securities of the Company are present virtually or represented by proxy; or (2) more than 50% of the outstanding voting securities of the Company. Abstentions and broker non-votes, if any, will have the effect of votes cast against this proposal.

ADDITIONAL INFORMATION

The Notice of Annual Meeting, this proxy statement and our annual report for the fiscal year ended December 31, 2020 are available free of charge at the following Internet address: <https://ir.barings.com/annual-shareholder-meeting-materials>.

STOCKHOLDER NOMINATIONS AND PROPOSALS FOR THE 2022 ANNUAL MEETING

The Company's annual meeting of stockholders generally is held in May of each year. We will consider for inclusion in the Company's proxy materials for the 2022 Annual Meeting of Stockholders, stockholder proposals that are received at the Company's executive offices, in writing, no later than 5:00 p.m. (Eastern Time) on November 26, 2021, and that comply with all applicable requirements of Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended, or the Exchange Act.

In addition, any stockholder who wishes to propose a nominee to the Board of Directors or propose any other business to be considered by the stockholders (other than a stockholder proposal to be included in the Company's proxy materials pursuant to Rule 14a-8 of the Exchange Act) must comply with the advance notice provisions and other requirements of the Company's Bylaws, a copy of which is on file with the SEC and may be obtained from the Company's Secretary upon request. Proposals must be sent to the Company's Secretary at Barings BDC, Inc., 300 South Tryon Street, Suite 2500, Charlotte, North Carolina 28202. These notice provisions require that nominations of persons for election to the Board of Directors and proposals of business to be considered by the stockholders for the 2022 Annual Meeting of Stockholders must be made in writing and submitted to the Company's Secretary at the address above no earlier than November 26, 2021 and no later than 5:00 p.m. (Eastern Time) on December 26, 2021 and must otherwise be a proper action by the stockholders. We advise you to review the Bylaws, which contain additional information and other requirements about advance notice of stockholder proposals and director nominations, including the different notice submission date requirements in the event that the Company's 2022 Annual Meeting of Stockholders is held before April 20, 2022 or after June 19, 2022. In accordance with the Bylaws, the chairman of the 2022 Annual Meeting of Stockholders may determine, if the facts warrant, that a matter has not been properly brought before the meeting and, therefore, may not be considered at the meeting.

FINANCIAL STATEMENTS AVAILABLE

A letter to stockholders and a copy of the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2020, which together constitute the Company's 2020 Annual Report, are being mailed along with this proxy statement. The Company's 2020 Annual Report is not incorporated into this proxy statement and shall not be considered proxy solicitation material.

We will also mail to you without charge, upon written request, a copy of any specifically requested exhibit to the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2020. Requests should be sent to: Barings BDC, Inc. Investor Relations, 300 South Tryon Street, Suite 2500, Charlotte, North Carolina 28202, or such requests may be made by calling (704) 805-7200. A copy of the Company's Annual Report on Form 10-K has also been filed with the SEC and may be accessed through the SEC's homepage (<http://www.sec.gov>).

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies.

Brokers may be householding the Company's proxy materials by delivering a single proxy statement and 2020 Annual Report to multiple stockholders sharing an address, unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If you

did not respond that you did not want to participate in householding, you were deemed to have consented to the process. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement and Annual Report, or if you are receiving multiple copies of the proxy statement and 2020 Annual Report and wish to receive only one, please notify your broker if your shares are held in a brokerage account, or us if you are a stockholder of record. You can notify us by sending a written request to: Barings BDC, Inc. Investor Relations, 300 South Tryon Street, Suite 2500, Charlotte, North Carolina 28202, or by calling (888) 401-1088. In addition, we will promptly deliver, upon written or oral request to the address or telephone number above, a separate copy of the 2020 Annual Report and proxy statement to a stockholder at a shared address to which a single copy of the documents was delivered.

TABULATION AND REPORTING OF VOTING RESULTS

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be tallied by the inspector of election after the taking of the vote at the Annual Meeting. The Company will publish the final voting results in a Current Report on Form 8-K filed with the SEC within four business days following the Annual Meeting.

OTHER INQUIRIES

If you have any questions about the Annual Meeting, these proxy materials or your ownership of the Company's common stock, please contact Barings BDC, Inc. Investor Relations, 300 South Tryon Street, Suite 2500, Charlotte, North Carolina 28202, Telephone: (704) 805-7200.

OTHER BUSINESS

The Board of Directors knows of no other business to be presented for action at the 2021 Annual Meeting of Stockholders. If, however, any other matters do come before the meeting on which action can properly be taken, it is the intention of the persons named on the enclosed proxy card to vote on such matters in accordance with their judgment. The submission of a proposal does not guarantee its inclusion in the Company's proxy statement or presentation at the meeting unless certain requirements under applicable securities laws and the Company's Bylaws are met.

You are cordially invited to attend the 2021 Annual Meeting of Stockholders of Barings BDC, Inc., to be held virtually on Thursday, May 20, 2021, at 8:30 a.m. (Eastern Time), at the following website: www.virtualshareholdermeeting.com/BBDC2021. Your vote is important and, whether or not you plan to attend the meeting, you are requested to complete, date, sign and promptly return the accompanying proxy card in the enclosed postage-paid envelope.

By order of the Board of Directors,

Ashlee E. Steinnerd
Secretary, Barings BDC, Inc.

Charlotte, North Carolina
March 26, 2021

- Your transactions with us, our affiliates, or others; and
- Our Internet website.

We may share the financial information we collect with our financial service affiliates, such as insurance companies, investment companies and securities broker-dealers. Additionally, so that we may continue to offer you products and services that best meet your investment needs and to effect transactions that you request or authorize, we may disclose the information we collect, as described above, to companies that perform administrative or marketing services on our behalf, such as transfer agents, custodian banks, service providers or printers and mailers that assist us in the distribution of investor materials or that provide operational support to Barings. These companies are required to protect this information and will use this information only for the services for which we hire them, and are not permitted to use or share this information for any other purpose. Some of these companies may perform such services in jurisdictions other than the United States. We may share some or all of the information we collect with other financial institutions with whom we jointly market products. This may be done only if it is permitted by the state in which you live. Some disclosures may be limited to your name, contact and transaction information with us or our affiliates.

Any disclosures will be only to the extent permitted by federal and state law. Certain disclosures may require us to get an “opt-in” or “opt-out” from you. If this is required, we will do so before information is shared. Otherwise, we do not share any personal information about our customers or former customers unless authorized by the customer or as permitted by law.

We restrict access to personal information about you to those employees who need to know that information to provide products and services to you. We maintain physical, electronic and procedural safeguards that comply with legal standards to guard your personal information. As an added measure, we do not include personal or account information in non-secure e-mails that we send you via the Internet without your prior consent. We advise you not to send such information to us in non-secure e-mails.

This joint notice describes the privacy policies of Barings, the Funds, Barings BDC, Inc. and Barings Securities LLC. It applies to all Barings and the Fund accounts you presently have, or may open in the future, using your social security number or federal taxpayer identification number - whether or not you remain a shareholder of our Funds or as an advisory client of Barings. As mandated by rules issued by the Securities and Exchange Commission, we will be sending you this notice annually, as long as you own shares in the Funds or have an account with Barings.

Barings Securities LLC is a member of the Financial Industry Regulatory Authority (FINRA) and the Securities Investor Protection Corporation (SIPC). Investors may obtain information about SIPC including the SIPC brochure by contacting SIPC online at www.sipc.org or calling (202)-371-8300. Investors may obtain information about FINRA including the FINRA Investor Brochure by contacting FINRA online at www.finra.org or by calling (800) 289-9999.
