Cheniere Partners Announces Substantial Completion of Train 5 at the Sabine Pass Liquefaction Project

HOUSTON--(BUSINESS WIRE)-- Cheniere Energy Partners, L.P. ("Cheniere Partners") (NYSE American: CQP) announced today that Substantial Completion of Train 5 of the Sabine Pass liquefaction project in Cameron Parish, Louisiana (the "SPL Project") was achieved on March 7, 2019. Commissioning has been completed and Cheniere Partners' EPC partner Bechtel Oil, Gas and Chemicals, Inc. ("Bechtel") has turned over care, custody, and control of Train 5 to Cheniere Partners.

Under sale and purchase agreements ("SPAs") with Centrica plc and Total Gas & Power North America, Inc., the date of first commercial delivery is expected to occur in August 2019, upon which the term of each of these SPAs commences.

Cheniere Partners and Bechtel have now declared Substantial Completion on five liquefaction trains at the SPL Project ahead of each train's guaranteed completion date and within project budgets. With the achievement of Substantial Completion, financial results of LNG sales from Train 5 going forward will be reflected in the statement of operations of Cheniere Partners and its applicable affiliates.

About Cheniere Partners

Cheniere Partners, through its subsidiary, Sabine Pass Liquefaction, LLC ("Sabine Pass Liquefaction"), is developing, constructing, and operating natural gas liquefaction facilities at the Sabine Pass LNG terminal located in Cameron Parish, Louisiana, on the Sabine-Neches Waterway less than four miles from the Gulf Coast. Cheniere Partners, through Sabine Pass Liquefaction, plans to construct six Trains, which are in various stages of development, construction, and operations. Trains 1 through 5 are operational and Train 6 is being commercialized and has all necessary regulatory approvals in place. Each Train is expected to have a nominal production capacity, which is prior to adjusting for planned maintenance, production reliability, potential overdesign, and debottlenecking opportunities, of approximately 4.5 mtpa of LNG and a run rate adjusted nominal production capacity of approximately 4.5 to 4.9 mtpa of LNG.

Through its wholly owned subsidiary, Sabine Pass LNG, L.P., Cheniere Partners owns and operates regasification facilities at the Sabine Pass LNG terminal, which includes pre-existing infrastructure of five LNG storage tanks with aggregate capacity of approximately 16.9 billion cubic feet equivalent, two marine berths that can each accommodate vessels with nominal capacity of up to 266,000 cubic meters and vaporizers with regasification capacity of approximately 4.0 Bcf/d. Cheniere Partners also owns a 94-mile pipeline that interconnects the Sabine Pass LNG terminal with a number of large interstate pipelines through its wholly owned subsidiary, Cheniere Creole Trail Pipeline, L.P.

Forward-Looking Statements

This press release contains certain statements that may include “forward-looking statements.” All statements, other than statements of historical or present facts or conditions, included herein are “forward-looking statements.” Included among “forward-looking statements” are, among other things, (i) statements regarding Cheniere Partners’ financial and operational guidance, business strategy, plans and objectives, including the development, construction and operation of liquefaction facilities, (ii) statements regarding expectations regarding regulatory authorizations and approvals, (iii) statements expressing beliefs and expectations regarding the development of Cheniere Partners’ LNG terminal and liquefaction business, (iv) statements regarding the business operations and prospects of third parties, (v) statements regarding potential financing arrangements, and (vi) statements regarding future discussions and entry into contracts. Although Cheniere Partners believes that the expectations reflected in these forward-looking statements are reasonable, they do involve assumptions, risks and uncertainties, and these expectations may prove to be incorrect. Cheniere Partners’ actual results could differ materially from those anticipated in these forward-looking statements as a result of a variety of factors, including those discussed in Cheniere Partners’ periodic reports that are filed with and available from the Securities and Exchange Commission. You should not place undue reliance on these forward-looking statements, which speak only as of the date of this press release. Other than as required under the securities laws, Cheniere Partners does not assume a duty to update these forward-looking statements.
