Cautionary Statement Regarding Forward-Looking Statements

This press release contains "forward-looking statements" that describe or relate to Qnity's current views with respect to business plans or prospects, future operating or financial performance, future use of cash and dividend payments, and other future events. Forward-looking statements are based on our current beliefs, expectations and assumptions, which may not prove to be accurate, and involve a number of known and unknown risks and uncertainties, many of which are out of Qnity's control. Forward-looking statements are not guarantees of future performance, and there are a number of important factors that could cause actual outcomes and results to differ materially from the results contemplated by such forward-looking statements. Additional information concerning risks and uncertainties can be found in Qnity's filings with the U.S. Securities and Exchange Commission (the "SEC"), including Qnity's registration statement on Form 10 and current reports on Form 8-K and future filings with the SEC. Any forward-looking statement speaks only as of the date on which it is made. Qnity does not undertake any obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by applicable law.
