"In our third year as one of Utah's fastest-growing companies, we're excited to

continue our mission to deliver more modern and meaningful patient experiences that deeply impact local communities," said Weave CEO Brett White. "Weave is honored to call Utah home to the majority of our employees, in company with some of the most innovative technology leaders in the country."

Recipients of the Utah 100 are ranked according to a weighted average revenue calculation of percentage and dollar growth over a five-year period through December 2021. Both private and public companies are included on the list.

The Utah 100 rankings were announced during MWCN's flagship award event with thousands of business leaders in attendance.
