Tecogen to Hold a Webcast on February 11th about its Emission Technology

WALTHAM, Mass., Feb. 4, 2015 /PRNewswire/ --Tecogen[®] Inc. (NASDAQ: TGEN) today announces it will hold a webcast Wednesday, February 11th, at 10 AM Eastern Standard Time to update our shareholders as to the latest status of our emissions technology.

To listen to the audio portion, dial 1-888-349-0103 within the U.S., 1-855-669-9657 from Canada, or 1-412-902-0129 from other international locations. To access the audio, participants should ask the operator to be joined to the Tecogen Inc. call. Please begin dialing at least 10 minutes before the scheduled starting time. To register for the webcast and view the slides that accompany the audio, go to

<http://www.videonewswire.com/event.asp?id=101554> and follow the directions shown.

Participants will be required to state their name and company upon entering the call. The webcast is PC and Mac accessible. Most popular internet browsers supported including: Internet Explorer, Fire Fox and Safari. A high speed internet connection is required. We recommend closing unnecessary programs and browser windows prior to joining.

The webcast will be recorded and available for playback one hour after the end of the call through February 19, 2015. To listen to the playback, call 1-877-344-7529 within the U.S., 855-669-9658 from Canada, or 1-412-317-0088 outside the U.S. and use Conference Number 10060373. The webcast slides will likewise remain available at

<http://investors.tecogen.com/webcast> for one year.
