Tecogen to Hold Conference Call on Thursday, June 11, 2015 To Review Company Status Following Annual Meeting

WALTHAM, Mass., June 3, 2015 /PRNewswire/ -- Tecogen[®] Inc. (NASDAQ: TGEN) today announces it will hold a conference call to review the company's status to commence after business adjournment of its annual meeting next Thursday, June 11, 2015 at 1:30 PM Eastern Standard Time. Following the discussion by Tecogen management, listeners are invited to participate in a question and answer session.

To listen to the audio, call **(888) 349-0103 within the U.S., (855) 669-9657 from Canada, or (412) 902-0129 from other international locations**. Participants should ask to be joined to the Tecogen Inc. conference call. Please begin dialing at least 10 minutes before the scheduled starting time of the meeting.

To register for the webcast and listen to the audio, go to <http://www.videonewswire.com/event.asp?id=102459> and follow the directions shown. Participants will be required to state their name and company upon entering the call. The webcast is PC and Mac accessible. Most popular internet browsers are supported including: Internet Explorer, Fire Fox and Safari. A high speed internet connection is required. We recommend closing unnecessary programs and browser windows prior to joining.

The conference call, but not the Annual Meeting, will be recorded and available for playback one hour after the end of the call through Friday, June 19, 2015. To listen to the playback, call **(877) 344-7529 within the U.S., (855) 669-9658 from Canada, or (412) 317-0088 outside the U.S. and use Conference Number 10066937**.

About Tecogen

Tecogen manufactures, installs, and maintains high efficiency, ultra-clean combined heat and power products including natural gas engine-driven cogeneration, air conditioning systems, and high-efficiency water heaters for residential, commercial, recreational and industrial use. The company is known for cost efficient, environmentally friendly and reliable products for energy production that, through patented technology, nearly eliminate criteria pollutants and significantly reduce a building's carbon footprint.

In business for over 20 years, Tecogen has shipped more than 2,000 units, supported by an established network of engineering, sales, and service personnel across the United States. For more information, please visit www.tecogen.com.
