# Tecogen Co-CEO Interviewed by Wall Street Analyzer

WALTHAM, Mass., Oct. 6, 2015 /PRNewswire/ -- Tecogen<sup>®</sup> Inc. (NASDAQ: TGEN), a leading manufacturer and installer of high efficiency, ultra clean combined heat and power products, announced today that co-CEO John N. Hatsopoulos was interviewed by The Wall Street Analyzer. During the interview Mr. Hatsopoulos discussed the various potential applications of Tecogen's patented emissions technology (including to the gasoline powered vehicle market), company growth initiatives, and Tecogen's long term value proposition. A link to the interview is available [here](#).

## About The Wall Street Analyzer

The Wall Street Analyzer <http://www.wallstreetanalyzer.com/> is a multi-media financial research and publishing company reporting to the investment community on publicly held companies.

## About Tecogen

Tecogen manufactures, installs, and maintains high efficiency, ultra-clean, combined heat and power products including natural gas engine-driven cogeneration, air conditioning systems, and high-efficiency water heaters for residential, commercial, recreational and industrial use. The company is known for cost efficient, environmentally friendly and reliable products for energy production that, through patented technology, nearly eliminate criteria pollutants and significantly reduce a building's carbon footprint.

In business for over 20 years, Tecogen has shipped more than 2,300 units, supported by an established network of engineering, sales, and service personnel across the United States. For more information, please visit [www.tecogen.com](http://www.tecogen.com).

## Forward Looking Statements

This press release contains forward-looking statements under the Private Securities Litigation Reform Act of 1995 that involve a number of risks and uncertainties. Important factors could cause actual results to differ materially from those indicated by such forward-looking statements, as disclosed on the Company's website and in Securities and Exchange Commission filings. The statements in this press release are made as of the date of this press release, even if subsequently made available by the Company on its website or otherwise. The Company does not assume any obligation to update the forward-looking statements provided to reflect events that occur or circumstances that exist after the date on which they were made.
