True Leaf is a leading global cannabis and hemp wellness brand for pets. Founded in 2013, True Leaf has two main operating divisions: True Leaf Medicine Inc. and True Leaf Pet Inc.

True Leaf Medicine Inc. was launched in July 2013 to become a licensed producer of federally-approved medicinal cannabis for the Canadian market. The company is in the final stages of approval and will be subject to a Health Canada inspection to allow for the production, manufacture, and distribution of cannabis products upon the completion of its cannabis cultivation facility being built in Lumby, British Columbia. Construction is expected to be completed in fall 2018.

Established in 2015, True Leaf Pet Inc. is one of the first companies to market hemp-based products for pets worldwide. The company is initially marketing a line of hemp-seed based supplements for pets.
