## True Leaf Expands Retail Distribution in Europe

### Legal cannabis-for-pets brand to reach 1,000 stores in Europe, including leading Italian pet retailer Arcaplanet locations

Vernon, British Columbia--(Newsfile Corp. - January 29, 2019) - True Leaf Medicine International Ltd. (CSE: MJ) (OTCQB: TRLFF) (FSE: TLA) ("True Leaf" or the "Company"), a leading global cannabis and hemp wellness brand for pets, today announced its True Hemp™ product line will soon be available in Arcaplanet stores in Italy, expanding its total retail distribution to 1,000 stores across Europe.

True Leaf has added Arcaplanet, a leading pet retail chain in Italy, to its list of partners in Europe, which includes top retailers such as Pets Corner UK and Das Futterhaus in Germany. Arcaplanet has more than 200 stores in Italy and reported revenues of €169 million in a growing pet market with an average of one pet per person or 2.3 pets per family (2018 ASSALCO - ZOOMARK Report on Pet Food and Pet Care in Italy).

True Leaf Pet, a division of True Leaf, pioneered hemp-based products for dogs. The Company's True Hemp™ line of functional chews, supplement oils, and dental sticks is one of the first hemp-seed pet product offerings to be marketed worldwide.

In November 2018, True Leaf added seven hemp-based products specially formulated for cats to its True Hemp™ product line in Europe. The new products for cats include five functional treats and two hemp toys.

"True Leaf continues to expand in key markets because our hemp solutions for pets are not only legally compliant, but also safe and effective," said Darcy Bomford, Founder and Chief Executive Officer of True Leaf. "We are excited to enter the Italian market with Arcaplanet; Italy is estimated to be the number one European country in regard to the number of pets for the population, with a one to one ratio."
