# Aqua Metals Announces Date for Second Quarter Financial Results

RENO, Nev., July 14, 2022 (GLOBE NEWSWIRE) -- Aqua Metals, Inc. (NASDAQ: AQMS) ("Aqua Metals" or the "Company"), a leading innovator in metals recycling with its AquaRefining™ technology, announced today that it is scheduled to report financial results for the second quarter ended June 30, 2022 after the market close on Thursday, July 21, 2022. The Company will hold a conference call to discuss those results and other corporate developments at 4:30 p.m. (EDT), the same day.

Investors can access the live call by dialing (877)-407-9708 toll free or (201)-689-8259 for international callers. Participants have the option of attending the earnings call online by accessing the following link: [https://event.webcasts.com/starthere.jsp?ei=1559051&tp\\_key=916ebbe185](https://event.webcasts.com/starthere.jsp?ei=1559051&tp_key=916ebbe185). The results call will include power point presentation slides so if you do listen via telephone, please log in online to view those slides. A live webcast or replay of the earnings conference call is also available via the company website, and can be found at the following link: <https://ir.aquametals.com/ir-calendar>. A telephone replay will be available until January 11, 2023, by dialing (877)-660-6853 or (201)-612-7415 and using Pin Number 13731415.

## About Aqua Metals

[Aqua Metals](#), Inc. (NASDAQ: AQMS) is reinventing metals recycling with its patented hydrometallurgical AquaRefining™ technology. The modular Aqualyzers™ cleanly generate ultra-pure metal one atom at a time, closing the sustainability loop for the rapidly growing energy storage economy. The Company's offerings include equipment supply, services, and licensing of the AquaRefining technology to recyclers across the globe. Aqua Metals is based in Reno, Nevada.

## Safe Harbor

This press release contains forward-looking statements concerning Aqua Metals, Inc. Forward-looking statements include, but are not limited to, our plans, objectives, expectations and intentions and other statements that contain words such as "expects," "contemplates," "anticipates," "plans," "intends," "believes", "estimates", "potential" and variations of such words or similar expressions that convey the uncertainty of future events or outcomes, or that do not relate to historical matters. The forward-looking statements in this press release include our expectations for our ability to develop our AquaRefining technologies for the recycling of lithium-ion batteries and the expected benefits of our Innovation Center and the recycling of lithium-ion batteries and our deployment of AquaRefining technology and equipment to our Taiwan partner's facility. Those forward-looking statements involve known and unknown risks, uncertainties, and other factors that could cause actual results to differ materially. Among those factors are: (1) the risk we may not be able to recycle lithium-ion batteries using our AquaRefining process or, if we do,

derive the expected benefits from such recycling, (2) the risk that we may not derive the expected benefits from our proposed pilot operation to be deployed at our Aqua Metals Innovation Center; (3) the risk that licensees may refuse or be slow to adopt our AquaRefining process as an alternative to smelting in spite of the perceived benefits of AquaRefining; (4) the risk that we may not realize the expected economic benefits from any licenses we may enter into; (5) the risk that we may not be able to access additional capital, through the sale of our TRIC facilities and equipment or otherwise, as and when needed and (6) those other risks disclosed in the section "Risk Factors" included in our Annual Report on Form 10-K filed on February 24, 2022. Aqua Metals cautions readers not to place undue reliance on any forward-looking statements. The Company does not undertake and specifically disclaims any obligation to update or revise such statements to reflect new circumstances or unanticipated events as they occur, except as required by law.
