Ingram Micro CEO, Alain Monié Awarded Top 100 Executive

Annual List Recognizes Top Leaders in Channel-Friendly North America Tech Businesses

SANTA ANA, Calif., Aug. 12, 2014 /PRNewswire/ -- Alain Monié, CEO at Ingram Micro Inc. (NYSE: IM) was presented a 2014 [CRN](#) Top 100 Executive award by The Channel Company in the category of Top 25 Most Influential Executive. This distinction is presented to a leader in their organization who not only evangelizes a more significant channel role in their strategies, but is also a leader in developing ground-breaking channel strategies.

"The CRN Top 100 list is the 'Who's Who' of the IT channel," said Robert Faletra, CEO of The Channel Company. "Each individual on this list has left an indelible stamp on the IT channel this year. All deserve recognition for helping push the channel forward toward new market opportunities."

"I am proud to be recognized for this award as a top influencer," said Monié. "The Ingram Micro team's dedication to helping our business partners fully realize the promise of technology is at the core of our success in the channel."

The CRN Top 100 list is based on feedback gathered from technology solution providers throughout the year by CRN editors with rankings reflecting each company's channel influence, effectiveness and visibility, along with its business and sales impact on the IT channel. Among the criteria considered are channel sales volume, channel investment and resources, channel advocacy, and performance in research projects conducted by The Channel Company's CRN Intelligence research arm, including its esteemed Annual Report Card and Channel Champions reports.

The CRN Top 100 honorees will be featured in the August issue of CRN, and will be available online at www.crn.com.
