Ingram Micro Canada Earns Microsoft Excellence in Operations Gold Level Award

Annual Accolade Recognizes Canadian IT Business Leader's Performance and Commitment

MISSISSAUGA, ON -- (Marketwired) -- 11/09/15 -- Ingram Micro Canada, a subsidiary of [Ingram Micro Inc.](#) (NYSE: IM), today announced it has won the Gold Level Excellence in Operations Award for delivering market-leading operational excellence supporting Microsoft technology over the past year.

"Ingram Micro Canada is honored to be recognized by Microsoft and earn this distinction as a top-performing partner," said Mark Snider, senior vice president and chief executive, Ingram Micro Canada. "This is a great win for our team and strong testament to the commitment and successful business relationship we have with Microsoft and our channel partners."

Microsoft attributes the win to Ingram Micro Canada's continued best-in-class performance in the Canadian channel. The win celebrates Ingram Micro Canada's continued operational excellence by meeting, exceeding, and strongly trending towards specific goals that drive overall efficiency.

"Microsoft continues to innovate and drive improvements across all aspects of our business," said Owen Roberts, general manager of Microsoft's Americas Operations Center. "The Excellence in Operations Award recognizes those partners that are committed to delivering best-in-class service and support. Thank you to Ingram Micro Canada for raising the bar, exceeding our expectations and helping us to better service our customers. Together we have, together we can, and together we will continue to achieve operational excellence now and in the future."
