Days Inn® by Wyndham Debuts in New Zealand

Days Hotel & Suites by Wyndham Hamilton opens in the heart of Auckland's Central Business District

HAMILTON, New Zealand, June 6, 2019 /PRNewswire/ -- Wyndham Hotels & Resorts, the world's largest hotel franchising company, has introduced its globally-recognized Days Inn by Wyndham brand to New Zealand with the opening of a new landmark hotel, Days Hotel & Suites by Wyndham Hamilton.

The addition bolsters the Company's presence in New Zealand and in Hamilton, the region's fourth most-populous city and a key growth market. Since April 1, 2018, Wyndham has opened 34 total hotels in the South East Asia and Pacific Rim region, three of which carry the Days Inn flag. Globally, the brand has more than 1,700 hotels across 25 countries.

A modern hotel set in a historic 19th-century building on the corner of Hamilton's Collingwood and Victoria streets, the Days Hotel & Suites by Wyndham Hamilton is owned by the Giarn Family Trust and is currently undergoing significant refurbishments to feature a new lobby bar, restaurant and reception area.

"Days Inn by Wyndham is one of the world's most recognizable hotel brands bringing warm, inviting and reliable hospitality to everyday travellers across the globe," said Joon Aun Ooi, president and managing director, Wyndham Hotels & Resorts, South East Asia and Pacific Rim. "Welcoming Days Hotel & Suites by Wyndham Hamilton to this important North Island city, an area where the brand will compete up within the midscale hotel segment, marks a major milestone in our global expansion strategy.

He added, "Hamilton is an established destination for business, but there's a limited supply of world-class hotel brands in the Central Business District to support the city's commercial expansion and theatre development. The Giarn Family Trust is an excellent partner and we look forward to elevating Hamilton's lodging offerings with this latest addition."

Formerly known as the Sudima Hamilton Hotel, a building dating back to 1876, the now Days Hotel & Suites by Wyndham Hamilton offers 69 guest rooms and suites featuring a full range of amenities, including complimentary Wi-Fi, self-controlled air conditioning and heating, flat screen televisions, and environmentally-friendly bathroom amenities. In addition, the studios and two-bedroom suites are fitted with furnished balconies, allowing guests to soak up the sights and sounds of bustling Victoria Street. The hotel also features private meeting facilities, a lounge, guest laundry facilities and onsite parking.

With its prime downtown location, guests are steps from the Waikato Museum and SKYCITY Hamilton, while Claudelands Park and the city's conference centre are within a short driving distance. Visitors can also enjoy scenic strolls through the Hamilton Gardens, catch a cricket

match at Seddon Park, watch rugby at FMG Stadium Waikato, take in a show at The Meteor Theatre or visit the animals at Hamilton Zoo.

Days Inn by Wyndham is helping guests seize the days, wherever their travels take them. In addition to the Days Inn by Wyndham name, the brand also franchises under the names Days Hotel by Wyndham and Days Hotel & Suites by Wyndham, among others. Across New Zealand, Wyndham now operates a total of ten hotels and resorts in several key destinations, including Auckland, Queenstown, Wanaka, Christchurch, Rotorua and Taipa. Days Inn by Wyndham becomes the company's third distinct brand in the country, following Ramada® by Wyndham and Wyndham Garden®.
