Stunning Dolce by Wyndham Versailles Opens in Famed Domaine Du Montcel Park

Located just 30 minutes outside Paris, timeless resort has been magnificently restored to showcase its historic buildings, monuments and gardens

LONDON, June 27, 2024 /PRNewswire/ -- Wyndham Hotels & Resorts has officially opened the doors to its newest hotel, the luxurious Dolce by Wyndham Versailles – Domaine du Montcel. Nestled in the outskirts of Paris in famed Domaine du Montcel Park, just minutes from the world-renowned Palace of Versailles, the striking 178-room resort sits on a charming estate in the heart of the beautiful Bièvre Valley and opens just as the world prepares to turn its competitive gaze to Paris this summer.

Once the residence of France's famed Oberkampf-Mallet family in the late 1700's, the magnificent resort has been fully renovated to preserve its historic buildings, monuments and gardens, the latter of which were originally designed by Madam Oberkampf herself. Despite easy access to both Paris and Paris-Orly Airport—both of which are just 30 minutes by train—guests will feel worlds away from the city the moment they arrive. The hotel is a short walk from the Jouy-en-Josas Train Station.

"Dolce by Wyndham Versailles is a timeless destination, perfect for romantic getaways and special events, facilitating both leisure and corporate travel. The hotel offers breathtaking natural scenery and memorable history-rich experiences, all while providing exceptional service alongside luxurious and modern amenities—an unbeatable combination."

- Dimitris Manikis President, EMEA, Wyndham Hotels & Resorts

"Staying at Dolce by Wyndham Versailles unlocks the chance to experience the French art de vivre, which enwraps guests from the moment they arrive and is reflected in every aspect of their stay—from the architecture and design, to the food, service, amenities and more. An ideal escape, it's the perfect jumping off point for making the most of all that France has to offer."

- Olivier Bigot, General Manager, Dolce by Wyndham Versailles – Domaine du Montcel
