

# Randy Fortenberry

## EVP, Global Supply Chain

Randy Fortenberry is EVP, Global Supply Chain, for Kontoor Brands, Inc. Fortenberry's responsibilities include all aspects of supply chain management including global operations, planning, global manufacturing and sourcing including materials procurement, responsible sourcing, product quality and stewardship, customer service, distribution and logistics. Randy and his team are also responsible for all components of the company's supply chain strategy, including trade-related functions and operations.

Prior to his appointment to his current role in 2019, Fortenberry was Vice President, Global Supply Chain Operations and Distribution Operations for VF Corporation, a global apparel, footwear and accessories company. In this role, he led the global supply chain planning and fulfillment operations for VF's 20-plus brands.

With more than 30 years of experience in various roles of increasing responsibility in VF's Supply Chain organization, Fortenberry helped lead and transform the company's manufacturing, sourcing, distribution and operations functions. Fortenberry began his career as a Management Trainee for theLee Jeans Company, assigned to the manufacturing management team.

Fortenberry holds a bachelor's degree in Business Administration from Jacksonville State University. He serves on the Board of Directors for the American Apparel and Footwear Association.
