AYRO Inc. Announces Investor Conference Participation Schedule for September 2020

AUSTIN, TX / ACCESSWIRE / August 25, 2020 [AYRO, Inc.](#) (NASDAQ:AYRO), a manufacturer of light-duty, urban and short-haul electric vehicles (EVs), today announced that management will participate in a number of investor conferences to engage with the investment community, all being held virtually.

- September 1-2, 2020, LD 500 Virtual Conference (available to public via registration)
- September 10, 2020, Colliers & Co. Institutional Investor Conference
- September 11, 2020, Cowen & Co. Global Transportation and Sustainable Mobility Conference

Details for each event are provided below. Presentations used for any of the aforementioned conferences will be made available on the morning of each event in the investor relation section of AYRO's website.

LD Micro's LD-500 Virtual Event, September 1-2, 2020

AYRO will be participating in LD Micro's inaugural LD-500 Virtual Conference. The conference will be held from September 1-4, with AYRO participating on the first two days of this exclusively online event. AYRO Chief Executive Officer Rod Keller will lead a group presentation with audio and slides available via internet broadcast at 10:00 am (ET) on Wednesday, September 2, and the Company's management team will conduct 1:1 meetings with investors throughout the two days, Sept 1-2. Interested investors should register for 1/1s or the group webcast at the event at www.ldmicro.com.

2020 Colliers Institutional Investor Conference (Virtual), September 10, 2020

AYRO will be participating in the Colliers & Co. Investor Conference on September 10. The conference consists of 1/1s for investors who are registered through Colliers' on-line platform, and meetings are offered from 9AM to 5:30 PM ET. Interested investors should register for 1/1s with AYRO Chief Executive Officer Rod Keller and Chief Executive Officer Curt Smith through their Colliers representative.

Cowen & Co. Global Transportation and Sustainable Mobility Conference, September 11, 2020

AYRO will be participating in the Cowen & Co. Global Transportation and Sustainable Mobility Conference, on September 11. Interested investors should register for the hour-long fireside chat with AYRO Chief Executive Officer Rod Keller through their Cowen

representative.
