Marathon Patent Group to Present at the Sidoti Emerging Growth Conference on September 2, 2015

LOS ANGELES, CA -- (Marketwired) -- 08/21/15 -- ***Marathon Patent Group, Inc.*** (NASDAQ: MARA) ("Marathon"), a patent licensing company, announced today that it will be presenting at the 2015 Sidoti Emerging Growth Conference in New York City, on Wednesday, September 2, 2015 at 1:30 pm ET.

The conference will be held at the Marriott Marquis Times Square in New York City. The company will also meet one-on-one with institutional investors during the day.

About Sidoti & Company
A leading provider of institutional-quality equity research focused on small, publicly-traded companies that meet our proprietary criteria, Sidoti's research coverage universe comprises nearly 300 companies across a range of industries. These companies typically have market capitalizations of less than $3 billion and a history of profitability, and generally maintain strong balance sheets. Our approach affords institutional investor clients a combination of high-quality research, a small- and micro-cap company focused nationwide sales effort, broad access to corporate management teams and extensive trading support.

The Sidoti 2015 Emerging Growth Conference is a unique forum where emerging growth company management teams with a market cap of $1 billion or less connect with small and micro-cap institutional investors, research analysts, investment bankers, private equity professionals and select media with the goal of expanding institutional awareness amongst key stakeholders in the investment community. The 2015 Emerging Growth Conference will be held on September 2, 2015 at the Marriott Marquis in Times Square New York. The event is one of the leading small and micro-cap investment conferences of the year featuring presentations by more than 50 public companies, with past attendance exceeding 475 investors.

About Marathon Patent Group
Marathon is a patent acquisition and monetization company. The Company acquires patents from a wide-range of patent holders from individual inventors to Fortune 500 companies. Marathon's strategy of acquiring patents that cover a wide-range of subject matter allows the Company to achieve diversity within its patent asset portfolio. Marathon generates revenue with its diversified portfolio through actively managed concurrent patent rights enforcement campaigns. This approach is expected to result in a long-term, diversified revenue stream. To learn more about Marathon Patent Group, visit www.marathonpg.com.

Safe Harbor Statement
Certain statements in this press release constitute "forward-looking statements" within the

meaning of the federal securities laws. Words such as "may," "might," "will," "should," "believe," "expect," "anticipate," "estimate," "continue," "predict," "forecast," "project," "plan," "intend" or similar expressions, or statements regarding intent, belief, or current expectations, are forward-looking statements. While the Company believes these forward-looking statements are reasonable, undue reliance should not be placed on any such forward-looking statements, which are based on information available to us on the date of this release. These forward looking statements are based upon current estimates and assumptions and are subject to various risks and uncertainties, including without limitation those set forth in the Company's filings with the Securities and Exchange Commission (the "SEC"), not limited to Risk Factors relating to its patent business contained therein. Thus, actual results could be materially different. The Company expressly disclaims any obligation to update or alter statements whether as a result of new information, future events or otherwise, except as required by law.
